

THE  
CARING CONGREGATION  
creating excellence in care ministry

## WHY CARE MINISTRY MATTERS

*Real churches. Real care.  
Real transformation.*

### ♥ **Care ministry is the heart of a congregation.**

At The Caring Congregation (TCC), we believe care ministry is the heart of the church's mission and essential to its health and growth. Inspired by Jesus, we train church leaders and volunteers, using a team-based model, to provide intentional, Christ-centered care through life's celebrations and challenges.

### **Jesus had a team. You need one too.**

Let us help you build a spiritually grounded, emotionally healthy care team that transforms your congregation and community.

### **Care like Jesus. Join our team!**
