A UNITED METHODIST CHURCH

OUR SERVICES

Training church leaders using a team approach that empowers pastors and laity working together to build care ministries to effectively support their congregations and communities.

Beyond our introductory training, we provide personalized experiences for ongoing collaboration through cohorts, mentoring and care resources.

OUR MISSION

To create a culture of care in the evolving Christian community

Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest to send out workers into his harvest field."

-Matthew 9:37-38
