

# Training CCMs

## Flexible Options for Every Church

As your care ministry grows, training new Congregational Care Ministers (CCMs) is essential. While some churches eventually train internally, we encourage continued partnership with The Caring Congregation to ensure consistency, depth, and quality. Below are recommended pathways.

1

### IN-PERSON SEMINARS

**Train together. Learn together. Grow together.**

Once your team is established, consider hosting a TCC **foundational** training seminar at your location to equip and commission new CCMs. Our team can help you explore ways to offset costs through grants, district & conference support, or by inviting nearby churches to participate.

2

### WEBINAR WATCH PARTIES

This option provides an engaging, seminar-style experience at a lower cost and is ideal for small to mid-sized groups. Offered spring, summer and fall.

- Join a live, streamed training experience
- Group discounts available for five or more participants
- Includes **foundational** CCM training, worship, and live Q&A
- 30-day access to webinar recordings

3

### TCC ACADEMY COURSES

Flexible, self-paced online **foundational** CCM training

- Designed for individual study
- Complete self-paced training on demand
- Full curriculum with professional videos instruction & handouts
- Certificate provided upon completion
- 90-day access to materials

4

### ONGOING TEAM DEVELOPMENT

Keep your care ministry growing strong

- Group study tools at [thecaringcongregation.com/resources](http://thecaringcongregation.com/resources)
- Free podcasts for team discussion
- A wide range of care topics and resources to explore together

5

### DEEPER LEARNING OPPORTUNITIES

Expand your understanding of care ministry

- *Caring for People in Crisis* - 4-part study in **TCC Academy**
- *Care Across Cultures (Vol 1)* - Group study on diverse perspectives
- *Exploring a Culture of Care* - Small group study for church-wide
