Other information to consider?

If funding is approved, check should be written to: _____

Athletic Director Approval: _____ **Date Approved:** _____

Athletic Director Signature: _____

Guidelines:

The Husky Champion Club mission is to support the school athletic program, coaches, and athletes by promoting school spirit, attendance, and sportsmanship at HHSC athletic events, encouraging strong academics for athletes, and providing supplementary financial support to athletic activities and programs.

Requests for Husky Champion Club support and funds must be submitted in writing to the HHHS ATHLETIC DIRECTOR at least four weeks before a decision is needed. A student, coach, teacher, or parent involved with the activity may be asked to appear at a Husky Champion Club Board Meeting to discuss the request.

All funding requests are subject to the availability of funds in the Husky Champion Club account and budget and must be approved by a majority of the Husky Champion Club Board.

Requests will be evaluated on the following criteria – in any order:

- How many HHSC athletes / students will participate and benefit?
- How will HHSC benefit?
- Does the requesting team / group have active Husky Champion Club members?
- Has a precedent been set to support / fund this type of activity?
- How much support / funds have been spent on this team / activity previously?
- Has a strong need been demonstrated – for safety, to overcome competitive disadvantages, etc.?
- Will a purchased item be left with the team after the season or also benefit another group or activity?
- Does this sport receive full support and funding from HHSC?
- Have multiple bids for a desired purchase been secured and submitted? If replacing an item, how old is the current item?
- Have all possible support and funding sources been researched first including team fundraising, parents, Athletic Director, community or business sponsorship, etc...?
- Other meritorious reasons?

The following requests for funding and assistance are discouraged:

- Requests that benefit individuals
- Requests that benefit non-HHSC groups or sports
- Requests to help with a team/group's debts, liabilities, or obligations
- Requests for reimbursement only after a purchase, project or event has been completed
- Requests for personal items for players/members that will not stay with the school; an exception may be, for example, team t-shirts for an undefeated season or a post-season championship award
