About Us

Campbell and Green Interiors is a leading provider of high-end residential joinery projects, specialising in both local and global markets. With a focus on craftsmanship and trust, we deliver bespoke joinery solutions for corporate office fit-outs, bars, and restaurants. Our comprehensive services include innovative design, precise detail drawings, sample services, site surveys, specialized joinery manufacturing, impeccable spray finishing, artful veneer matching, expert site assembly/installation, and swift door production.

The Role

This is a full-time on-site role for a Bench Joiner at our Colchester location. The Bench Joiner will be responsible for day-to-day tasks including carpentry, using power tools and hand tools, framing, and finish carpentry. The role involves working closely with our team to create exceptional joinery pieces.
