PLANS FOR THIS YEAR

WIMCO NORTHWEST CHAPTER MISSION STATEMENT

The Seattle Chapter 7x24 community recognizes the importance of a diverse workforce. This WiMCO chapter wants to help facilitate opportunities for leadership, community outreach initiatives, and educational events focused on topics that support inclusivity, career development, and STEM programs.

We hope to influence and increase the pool of qualified workers by showcasing the various career choices within our industry and highlight the many ways people can contribute and make an impact on the future generation of women in this industry.

THANK YOU TO OUR 2023 SPONSORS!

INTERNATIONAL DATA CENTER DAY

MARCH 22ND

- Event will be hosted at the AT&T Bothell 9 Data Center.
- Thanks to your generosity, over \$2,000 was raised by our Chapter Members.
- We will have students from Bothell, Inglemoor and Woodinville High Schools in attendance.
- The goal for this event is to create awareness about the data center industry, and to inspire the next generation of talent.

LOOKING AHEAD IN 2023

Women's Golf Clinic

- What is the interested in attending a women's golf clinic?
- What other types of networking events would you be interested in attending?

Mentorship Program

- Looking to partner with local companies who may already have a program in place.
- Are any members interested in becoming a mentor?
- What type of mentorship program would be beneficial?

Please email feedback to Ursula at umccready@ppcwa.com
