Artist Biography

Name: (Real OBK T.R.I.G.G) ... Self-made Boss born and raised out of that 574 Elkhart, Indiana; Trigg is the Jack of all trades and a go-geller by All means... a few years ago he launched a successful clothing brand .. (R.E.A.L Apparel Clothing Brand back in 2016) since then the brand has taken off tremendously. Currently one of the top Independent Businessmen introducing the #1 Independent Label BLOC-F.O.E Entertainment Music Group to the world after putting in the footwork as one of the top indie artist coming out of Indiana. His rap style is getting straight to the point/reality music. He's had such big accomplishments as landing on the Front Cover of HOOD Illustrated Magazine 2020/2021/2022 and FFTV Magazine 2021.

Musically you have a nice catalog to choose from when you pull up his resume. With the focus on networking and building the brand, he has been blessed to work with and recorded songs (Different Ft. Young Buck) and (Can't Relate Ft. Project Pat) ... Albums - THE GOOD OUTWEIGHS THE BAD AND LIONHART are also available on all major music platforms. And you can view some of his top visuals on the youtube page @OBK TRIGG

You can tell that the Midwest is on full display with every project and move OBK puts into play; heavily influenced by some of the greats which steered the way for Trigg to create his lane. The ultimate goal is to shine a bright light on the city of Elkhart and grow his brand into the leader of the next wave and remain a powerhouse in the industry. The underdog is back like he left something !!!
