

Jones Learning Academy Tutoring Program

Grades K–5 Informational Packet

Overview

Jones Learning Academy provides personalized tutoring services for students in kindergarten through fifth grade. The program focuses on building strong academic foundations, fostering confidence, and encouraging a lifelong love of learning. Each session is designed to meet the unique needs of every student through individualized instruction and engaging activities.

Mission Statement

The mission of *Jones Learning Academy* is to transform academic challenges into personal victories by providing personalized, high-engagement tutoring that honors the unique learning style of every K–5 student."

Core Subjects Offered

- **Reading & Literacy:** Phonics, comprehension, vocabulary, fluency, and writing skills
- **Mathematics:** Number sense, problem-solving, operations, fractions, and geometry
- **Social Studies:** Geography, history, and civic understanding
- **Homework Support:** Guidance and reinforcement of classroom learning

Tutoring Approach

- **Individualized Learning Plans:** Each student receives a customized plan based on assessments and teacher input.
- **Small Group & One-on-One Sessions:** Flexible formats to support different learning styles.
- **Virtual Sessions:** "Your child's safety is our priority. *Jones Learning Academy* uses secure, encrypted platforms to host all virtual sessions. Our 1-on-1 and small-group digital classrooms are password-protected and monitored to provide a safe, focused environment where K–5 learners can thrive technologically and academically."
- **Progress Monitoring:** Regular evaluations to track growth and adjust instruction.
- **Interactive Learning:** Use of games, technology, and creative projects to enhance engagement.

Schedule & Session Details

- **Session Length:** 60 minutes
- **Frequency:** 1–3 sessions per week (based on student needs)
