DVIA Santa Run, Saturday, December 16, 2023

An antique Fire Truck from the Fire Museum

Please note the stop signs are placed Saturday Morning and the Fire Truck stops for a period of time with each group of children. Santa will be greeting each child at every stop; thus the times listed are estimated;

- 2:15 pm** Greenridge Road and Belmore Road
- 2:20 pm** Ridgefield Road and Longbrook Road
- 2:25 pm** Tenbury Road and Longbrook Road
- 2:30 pm** Meadowvale Road and Rothwell Road
- 2:35 pm** Ridgefield Road and Strathdon Way
- 2:40 pm** Felton Road and Longford Road
- 2:45 pm** Felton Road and Doragen Court
- 2:50 pm** in Front of Hampton Elementary School

These times are estimates. If there are no children at stops, we continue to next stop; if there is a group, Santa visits and takes photos with every child who wants their photo taken and each child receives a candy cane.

Please listen for the fire truck bell and look for the Santa Stop sign at a corner near you
