Our Signature Training Program is designed so every element works together. Drop off Day Training for 9 weeks/3 days a week, 9 weeks of weekly 1 hour Client/Canine classes, educational binder, and instructional videos all reinforcing each other over the full 9-week journey.

Your dog learns through consistent, professional hands-on training during drop-off days, while you learn through weekly classes, step-by-step written materials, and videos that show exactly what each skill looks like in real time.

This creates a comprehensive learning experience that blends visual learning, hands-on practice, and easy-to-follow reading materials, ensuring both you and your dog grow together with confidence and clarity.  A lifetime of education you can use for years to come!
