

THE PIOBAIREACHD SOCIETY SET TUNES FOR 2025

The Piobaireachd Society recommends

the following for competitions in 2025

A. SENIOR COMPETITIONS

A new approach to setting tunes for the senior competitions was adopted in 2023 for a trial period of five years. The aim is to give competitors a wider choice of tunes while still ensuring exposure for the appropriate repertoire. If deemed successful, the period may be extended beyond five years.

Competitors will submit six tunes from the list below. Different tunes will be selected for each competitor for the Argyllshire Gathering and the Northern Meeting in the same year. The chosen tunes will be noted and competitors will not be permitted to submit these two tunes again for a period of at least five years.

The list may be expanded from year to year on the recommendation of the Piobaireachd Society. It is unlikely that any of the tunes will be removed from the list.

The Donald MacLeod and PS 20th Century Piobaireachd collections have been corrected and re-printed recently in A4 format and it is recommended that these be used as the sources for these tunes.

Competitors are not restricted to settings in the Piobaireachd Society Collection and Kilberry Book. Those who wish to play alternative settings should submit legible scores, indicating the origins of the settings, to competition organisers along with their tune selections.

Altogether different tunes known by the same or similar names will not be accepted as alternatives. This announcement is without prejudice to any arrangements made by the Argyllshire Gathering or the Northern Meeting.
