*Heirloom Quality for Every Day Living*

# Welcome...

to J & J Woodworks, home to quality furniture for everyday living. Since 1989, J & J Woodworks has crafted fine American furniture in an array of styles, from modern to traditional with an antique, heirloom flair.

J & J is a family owned business, with three generations of woodworkers committed to handcrafted quality — piece after piece. All our materials are from reforested forests; we use pine from Maine and maple for our table and chairs for added richness and durability.

J & J sells exclusively to dealers throughout the United States, and takes great pride in our “American Made” handiwork. We are prominently located in Lancaster, Pennsylvania — an ideal location from which to ship up and down the eastern seaboard, and the west coast.

Whether chairs, cabinets, tables, cupboards or chests and entertainment centers, J & J Woodworks delivers quality furniture — from forest to home.
