

The Secret Scrap Challenge

June 2025

Pattern Clash

The Challenge

Add one fabric that completely breaks the pattern rule of your current project (florals in geometrics, modern in traditional, etc.).

Placement Ideas

- Single block in an otherwise consistent pattern
- Border elements or cornerstones
- Backing features or binding accents
- Central focal points if using subtle pattern contrasts

Creative Approaches

- Use fussy cutting to highlight just one element of a busy print
- Frame contrasting fabrics with solids to create visual breaks
- Create gradual transitions between drastically different styles
- Use the clash as an opportunity to tell a story about combining traditions

Share Your Work

- Use hashtag **#SecretScrapChallenge2025**
- Email photos directly to **Amy@AmyDement.com** with subject line **"JUNE Challenge"**
- Submit by the **25th** of each month for a chance to be featured

Tips for Success

- Choose a clash that shares at least one color with your main project
- The bolder the clash, the smaller the piece should typically be
- Strategic placement makes it look intentional rather than accidental
- Consider "transitional" fabrics that bridge between conflicting styles
