

# HAPPY RAMBLERS MOTORCYCLE CLUB

## 2026 MEMBERSHIP APPLICATION & INFORMATION PACKET

### 1. Overview

The Happy Ramblers Motorcycle Club welcomes your interest in or return to our organization. Our club is chartered by the **AMA**, American Motorcyclist Association, and has a rich history of motorcycle riding and racing. You may think the name "Happy Ramblers" seems dated for a club today, but we are all very proud of our heritage and accomplishments and would never think of changing it! For over 85 years, motorcyclists have enjoyed riding together, and developing what is known as the "Happy Ramblers Motorcycle Club Family." Our club is fortunate to own 20+ acres of property, a clubhouse, and multiple pieces of equipment, all for the purpose of maintaining a recreational, competitive, and educational, motorcycling facility.

Being a member is not a free ticket to ride at the track, but a commitment to being part of our club. An active working member is the life blood of the club. They keep the gates open by operating and maintaining the facility throughout the year. The money generated at these events goes directly back into the operational cost of the club (mortgage/taxes/equipment/etc). Unlike other racetracks, all monies generated throughout the year go directly back into the facility. None of the members of the Happy Ramblers Motorcycle Club are paid for their services to the club.

Club meetings are held on the second Thursday of every month at 7:00PM. These meetings are mandatory for all members.

### 2. Membership Guidelines

As an HRMC club member we acknowledge that this is a 100% voluntary commitment to ensure the future of this club. Every member has other commitments we need to attend to, work, family, vacations, personal events, etc. But, the more active members are, the lighter the work load is for everyone.
