

By accessing or using the custom dashboard services, client portals, and web applications provided by ShowMe Dashboards ("Company," "we," or "our"), you agree to be bound by these Terms of Service.

1. DESCRIPTION OF SERVICE

ShowMe Dashboards delivers custom operational dashboards, analytics platforms, and client-facing application portals tailored for various industries. Our Services connect with third-party software—including Google services—to aggregate, visualize, and schedule data for your organization.

2. USER ACCOUNTS & SECURITY

- **Account Accuracy:** You must provide accurate, complete information when requesting or accessing a custom dashboard or scheduling setup.
- **Credential Protection:** You are strictly responsible for maintaining the confidentiality of your account credentials and for all activities under your account.

3. DATA PROTECTION & PRIVACY

We prioritize the security and confidentiality of your operational and business data:

- **Data Ownership:** You retain full ownership of all proprietary data, client lists, and metrics uploaded or synced to your ShowMe Dashboards instance.
- **Security Standards:** We implement industry-standard administrative, physical, and technical safeguards to protect data integrity and availability.
- **No Data Sales:** ShowMe Dashboards does not sell, rent, or trade your operational or personal data to third parties.

4. GOOGLE API & INTEGRATION SECURITY

Our Services integrate with third-party tools, including **Google APIs** (such as Google Calendar, Google Workspace, and Google Cloud infrastructure) to deliver features like live scheduling, authentication, and real-time data display.

- **Google User Data Policy:** Our access, use, and transfer of information received from Google APIs to any other app adheres strictly to the **Google API Services User Data Policy**, including Limited Use requirements.
- **Permissions:** Connecting your Google account grants us explicit authorization to access specified endpoints (e.g., calendar availability) required for live bookings and operations.
- **Third-Party Reliability:** We are not liable for service interruptions, downtime, or API changes caused directly by third-party providers like Google.

5. ACCEPTABLE USE POLICY

You agree not to modify, reverse-engineer, decompile, or extract the source code of the ShowMe Dashboards platform, attempt unauthorized access, or disrupt the security and integrity of third-party integrations.

6. LIMITATION OF LIABILITY

To the maximum extent permitted by law, ShowMe Dashboards shall not be liable for indirect, incidental, special, or consequential damages, or loss of profits resulting from your use of or inability to use the Services.
