

Berwickshire Youth Project CLG

Connect Bewickshire Youth Project is a charity youth organisation working with children, young people and families. We operate in Duns, Eyemouth and Coldstream.

"Here at Connect, its fair to say we are all feeling the impact of the cost of living crisis and we know families in Berwickshire will be feeling the same"

Our Pathways project offers a listening ear to support those who are unsure of where to turn to for support. Connect would like to ensure that no family feels they are alone in their financial struggles. We can offer advice on budgeting and can help signpost families to vital links and organisations that can provide contiuned support.

Crisis Grants Available

If you live in Berwickshire and have a young person living in your household. We can assist those in need by offering a small non-repayable crisis grant*. Please call into our weekly drop in session for more information or contact us on the email address below. All enquires are confidential.
