Ted's Tickets

I am writing this after just returning from the Piedmont Division NMRA Train Show at Cartersville. I was pleased with the amount of G scale at the show. James & Sally Bando set up a nice large display near the entrance. Lori Thomas had her Paw Patrol loop set up in the vendor hall. Lesley Bundy had a beautiful Easter loop running in the hallway. Melovetrains and Train Installations were there selling as were a few others. It was great to see a large crowd of model railroaders enjoying

Which Conventions will You Attend This Year?

There are a slew of conventions where you can enjoy trains, Model Railroaders, Layouts, and, oh yes, some Vendor tables with all the latest, greatest, and probably some old relics you simply cannot do without.

Will we see you at any of them?

National Garden Railway Conventions:

Jun 18 - Jun 22, 2025 - Sacramento

2026 - (?)

May 31 to June 5, 2027 - Nashville

BTO Conventions:

JULY 13-18, 2025 - Helen, Georgia

2026 - Springfield, Massachusetts

2027 - Frankenmuth, Michigan

NMRA Conventions:

July 14 - 19, 2025 - Novi, Michigan

July 27 - August 2, 2026 - Chattanooga, TN

Multiple train shows, Regional and local club events will be held all around the country, so no matter where you are, when you are, something "Modelisious" will be happening somewhere near you. **SEE PAGE 4 FOR MORE DETAILS!**

FAKE NEWS HITS GARDEN RAILROADING!

Rumors circulating in S. CA that NGRC 2025 will soon be cancelled are FALSE. Registrations are on target for 4 months out. Hosts - Sacramento Valley GRS - are all in and making excellent progress.

On the opposite side of the coin, the talked about 2026 NGRC in MA is **NOT happening**. Nashville 2027 will be the 41st NGRC!

That's 2 years away, so let's get ourselves to Sacramento in June.

Ted's Ticket Cont.

enjoying the show and to see G scale promoted. Hopefully, GGRS will return with a table next year.

Next month our group will be in Chatsworth, Georgia for the Model Train Expo. This is a great day to socialize with other club members, talk trains with visitors, eat a BBQ sandwich, and enjoy the great outdoors on a spring day. The old railroad hotel, filled with period antiques and furnishings, will be open for visits as well. Be sure to set aside time to visit that building if you have not already done so.

I have been lining up layout tours, train rides, and helping in a few other ways with the Big Train Operators Club 2025 Convention that is coming to Helen, Georgia in July. I am excited about this national event right in our own back yard, so to speak. I know you must be a BTO member to attend, but I hope many of you will join up and join me in July in Helen. This will be a very fun time for all involved.

I will close this session by letting you know that I enjoy not only G scale trains, but real ones too! That said, I will be working as a car host in car #3 for Day Out with Thomas at the Tennessee Valley Railroad in Chattanooga the first weekend of his visit in April. This is amazing, especially, to see all the kids and their excitement. If you have never experienced him, come check Thomas out and be sure to find me and say 'Hello'.

*Ted Yarborough,
President*

April Georgia Garden Railway Society Meeting

The Georgia Garden Railway Society Express will chug into the Chatsworth, Georgia Train Depot at 9:30am on Saturday, April 12. The depot is located at 219 North First Avenue in downtown Chatsworth. This meeting will be held in conjunction with the Model Train Expo where model train groups from North Georgia will share their model railroads including a couple of ride on experiences for the kids (and adults as well). The GGRS will set up two or three loops of track outdoors on the concrete pad beside the depot to run trains throughout the day for visitors to the depot. The depot, built in 1905 by the L&N Railroad, a 1960 M-5 SCL Caboose, and the 1909 Wright Hotel will all be open for tours.

GGRS members will set up displays starting about 9:30. Lunch will consist of pulled pork BBQ sandwiches, chips, dessert, and a variety of soft drinks. Lunch will be served at 11:00. The public is invited to come out starting at noon. The event will conclude at 4:00pm.

Open House at Bushnell Station

February 22 was a fantastic day at Bushnell Station, a model railroad museum located in Bushnell, Florida, as they hosted their 2025 Open House. Gale Cousins, General Manager for LGB North America, gave a seminar in history of Marklin and their acquisition of LGB, and shared as well, that some new products were coming from LGB in the near future.

He highlighted the Shay's coming in September and let us know they were almost sold out (so if you want one, you best preorder soon!). Rick Sinclair, LGB Digital Specialist, demonstrated the DCC line of controllers available from LGB and also shared that more control and options were coming soon from LGB.

The museum had trains of all scales operating. A nice garden railroad was running outside (operating on LGB's DCC system) and an AMAZING G Scale railroad was running indoors. A newly acquired G Scale layout from an Atlanta Children's hospital, with push button operation for kids, was also open in a newly finished display building.

Rides on a 7/8 gauge train were given on the large outdoor park like setting surrounding the museum. The event was well attended. If you missed out, the museum is open most Saturdays and is just off I-75 in Bushnell, Florida.

GGRS 1:1 Scale Train Rides!

There will be **THREE GGRS 1:1 Scale Train Rides for 2025!** Come ride a real train with other garden railroaders. The first ride is coming quickly on the Tennessee Valley Railroad's Copper Hill Special set for Saturday, May 31. This ride will be diesel powered and follow the Hiwassee River from Delano, Tennessee to Copper Hill, Tennessee. This train excursion will take you to the apex of the renowned Hiwassee Loop. Witness this incredible railway marvel near Farner, Tennessee, where the tracks intriguingly cross over themselves as they spiral up the mountain. Notably, there are only six such loops in North America, with this one being the sole example east of the Mississippi River. Copper Hill is located on the Georgia state line (it actually runs right through the middle of town). We will be seated in the traditional coach seats. The train will have about a 90-minute layover so you can eat lunch and explore the town before the return trip. The train leaves at 9:30 and returns at 5:30. Tickets cost \$75.00 for adults and \$45.00 for children under 13 years old and must be ordered in advance (tickets are non-refundable, but can be transferred to another person if someone else wants to go in your place). Mail a check, made out to Ted Yarbrough, to Ted Yarbrough, 212 Love Drive, Chatsworth, GA 30705 by APRIL 27 to secure your seat on the Copper Hill Special.

The second & third rides will be with the BTO Convention in Helen, Georgia this July. To help support the BTO, we will be riding on their scheduled train trips. The first BTO trip will be Monday, July 14 on the Blue Ridge Scenic Railway. This trip will carry passengers from the city of Blue Ridge, Georgia to the border town of McCaysville, Georgia. This is on the old L&N Hook and Eye Line. You will have about 90 minutes for lunch at the Bura-Bura Riverfront Restaurant (included in your ticket) and exploring the state line town of Copper Hill, Tennessee. The train will then return to Blue Ridge. Bus transportation is included and there will be **DOOR PRIZES** on the trip back to Helen. I will ride this trip because I will be taking my great nephews and it is more child appropriate in that it is a shorter bus ride and train ride.

The second BTO train ride will be on Thursday, July 17 on the Great Smoky Mountain Railroad Nantahala Trip. This ride will be in crown class and include a box lunch. This is a very scenic ride to the Nantahala

Outdoor Center and return. Steam power is anticipated for this train ride. Bus transportation is included with **DOOR PRIZES** on the return trip. This is one of my favorite train rides in the Eastern US. In order to ride with the BTO, you must be a member of their group and register for the convention (order tickets on the convention registration form at www.bigtrainoperator.com).

Highballing down the Track

On your way to the 2025 Sacramento Valley National Garden Railway Convention, plan to make a month of large scale train plans.

The **2025 Northeast Large Scale Train Show** will be in Springfield, Massachusetts, on May 3 and 4, 2025.

The **Great Lakes Large Scale Train Expo** sponsored by the Riverside Railroad Crew will be in Girard, Ohio, May 9 and 10, 2025; information at: www.greatlakestrainexpo.com.

The **2025 Midwest Garden Railroad Gathering** will be June 4 to 7, 2025, around Tulsa, Oklahoma.

The Convention website is fully online with complete information about activities and tours. Ticket bundles are available for early birds at reduced prices. The site also lists hotels and camping info for RV's.

Win Gasperson

win@iFeis.net

843-697-8500

My name is Win Gasperson and I was given your information by Don Nute. I live in Athens and have a large collection of Garden Scale trains. I am currently starting to offload some of them as I had my own collection and recently inherited a collection of equal size.

I have a Circus train that does not include an engine, but has 14 cars which include three coaches and freight and flat cars carrying wagons and equipment. The set would also include a couple of extra circus wagons. All are in boxes and in new condition.

Circus Train rolling stock. No Engine. 14 cars total - 3 coaches, Freight, Flat Cars with wagons. Two extra wagons. All are in boxes and in new condition.

Can be viewed in person in Athens, GA Selling as a set for \$1000

Anyone with one of these G scale locomotives they would like to donate to the Chatsworth Depot?

We would love to have a small G scale CSX or L&N diesel loco to run on the museum's layout.

Contact Ted Yarbrough.

Thinning my collection.

LGB 2-6-0 Mogul with box (locomotive does not fit back in box due to snow plow, spark arrestor, and tender modifications). Smoke, lights, sound, and locomotive work properly (but it is old). \$350.00.

Aristo-Craft 2-8-0 C-16. No box. Has QSI digital sound card. Smoke, lights, sound, and loco work properly. Little use. \$300.00. Can pick up at any future meeting or in Chatsworth.

Large train depot. Basswood construction with cedar shingles. Plastic doors and windows. Depot is not waterproofed (would need heavy coat of polyurethane for continued outdoor use). Details on depot walls and platform are not included. \$250.00 Ted Yarbrough

This is a photo of my outdoor G scale garden railroad which I need to sell. I've had it here for 25 years plus the time I had it in Pennsylvania. It's too much for me to manage, especially since spending two hours to trim it gives me knee problems. The sale includes one each of Bachmann's geared locomotives, one Bachmann 2-2-0 steamer, one LGB 2-6-0 steamer, one Hartland mu car plus all track, signal, people, buildings and power packs, including handheld transmitter and matching receiver. If you need more photos let me know. Also would appreciate it if you could spread the word. Thanks. Dennis Lynch

So the March meeting will be displayed for all to enjoy in the May Edition. Yeah, I know. The March Issue comes out in February. The April at the end of March. The meeting is after the deadline for submissions, so it comes out in the next issue, which is.....May! My how the time flies. We should be having a lot of fun imported into GA, so get out and enjoy.
