

The Kiesow-Wilson Wedding at Hawkstone Hall

The Evening Before

Thursday, March 23rd, 2023

We'd like everyone to have the opportunity to enjoy a very "British" experience at a local pub in Shropshire and to casually socialize before our big day. During the daytime, we plan to go for a countryside walk (weather permitting). Wellies are available for use complementary to your stay at Hawkstone Hall.

Our Wedding Day

Friday, March 24th, 2023

We are thrilled to welcome those, both near and far, to our dream wedding venue. It has been a stately home to two major families, and more recently, for monks. Surrounded by 18 acres of gardens and decadent rooms, we are thrilled to welcome our closest friends to share one of the best days of our lives with us!

The Day After

Saturday, March 25, 2023

A little over an hour away is the bustling city of Manchester, Jack's original home. Manchester is rich with culture and history: birthplace to Oasis, the Smiths, New Order, and, of course, Manchester City and Manchester United. If you plan on going to Manchester, we'd love to enjoy a drink or a nibble with you at one of Jack's favorite spots (to be announced).

Leading Up to Our Wedding

March 20th-22nd, 2023

In the days leading up to the event, we will be staying with Jack's family in Gawsworth, Macclesfield, outside of Manchester. If you happen to be in the area, please let us know! We'd love to enjoy a beverage or a walk with you in the English countryside past the newborn lambs.

Logistics and Travel Tips

Ensure your passport is up to date. You are not allowed to enter the UK if your passport expires within 6 months of your entry date.

Use a Credit Card with no Foreign Transaction Fees. This has saved us a ton of money and is massively convenient. (Kylee uses her Chase Sapphire Credit Card!). As far as getting British Pounds beforehand, visit your local bank or get some GBP at the airport when you arrive

Notify your bank you are traveling. Sometimes they will freeze your account if you do not notify them beforehand!

The UK has lifted all COVID-19 testing to enter the country. Nothing is in place now, but be sure to check leading up to your departure

Bring a Converter – Ensure the Voltage is correct! The voltage in the UK is not the same as the US – Kylee has ruined multiple hair tools as a result ☹️

What to pack? The average temperature in March in the UK is 50-60 F. Bring a warm rain coat and wellies (rainboots) if you have them! Additionally, there is a very thorough suggested packing list on our website:

Plan on taking the train around the UK? If you plan on using the train frequently, you can save a lot of money by getting a “BritPass” – a discounted train pass for Americans.
