FOR IMMEDIATE RELEASE

With the State of QLD borders now open, CWAATSICH will continue to make changes to the way our Clinics Services will be implemented in 2022, in line with QLD Health COVID – 19 guidelines.

From Monday 10th of January 2022 COVID – 19 vaccinations / Booster will be available from CWAATSICH, for both Adults, Adolescents and Children aged 5 – 11years, so please call CWAATSICH on 4654 3277 to book your COVID – 19 vaccination / booster appointment and remember to advise our reception staff should you require the appointment for an Adult, Adolescents or Children. (The vaccination rollout for children aged 5 to 11 will start from 10th January 2022 also).

For COVID – 19 enquiries, including hotspots, border passes, restrictions, contact tracing or testing, please visit www.covid19.qld.gov.au or call 13 42 68.

Anyone with any COVID-19 symptoms, no matter how mild, you should get tested immediately and isolate until you receive a negative result.

Isolation for confirmed cases and quarantine for close contacts

Isolation for people who are diagnosed with COVID-19

If you are diagnosed with COVID-19, you must immediately isolate for 7 days at your private home, accommodation (for example, where you are staying for a holiday), other suitable premises, or an address given to you by an emergency officer.

Close contacts - quarantine and testing requirements

If you are a close contact of a confirmed case of COVID-19 you must get tested and isolate for 7 days. You are a close contact if you usually live with or have stayed in the same household (for more than 4 hours) during a confirmed case's infectious period.
