

PHOTOGRAPHIC EVIDENCE

At Luxe Lotte Authentication Services, we endeavour to provide 100% accuracy in our authentication opinion, therefore multiple clear and concise photographs are required (for in-house/in-studio inspection this does not apply).

Please provide the following photographs when you request our services to customercare@luxelotte.co.uk.

Please note that depending on the style of handbag, we may require additional specific images, this will be requested on email to you after initial inspection of the photographs provided. The 24-hour guarantee turnaround starts once all photographs and additional evidence have been submitted for inspection:
