

Greetings to all Schweitzer Prime Timer members! As another season approaches, we want to share some valuable information with you. Effective November 1, 2026, Schweitzer Prime Timers will open the website to take membership dues for 2027.

There will be some changes to the membership dues in 2027. Any member who will turn 80 years of age in calendar year 2027, or who is older than 80 years of age will need to fill out the Mail-In Registration Form or the Online Registration Form AND make a payment in the amount of \$10.00. The annual membership dues for anyone under 80 years of age will remain \$40.00 for Mail-In Registration and \$42.00 for Online Registration.

If you are completing your registration online, there are two separate buttons to access on the website – one for the registration form and one for your online payment.

In addition to the annual membership, the Schweitzer Prime Timers website will offer a pre-payment option for the 2027 weekly lunch socials beginning November 1, 2026. The pre-payment options are located under the **Events tab** on the website as follows:

Option 1: Purchase a full-season weekly social option for \$125.00. This option excludes the Invitational lunch event hosted by Schweitzer Prime Timers, which is a separate cost.

Option 2: Purchase seven (7) socials at \$70.00 for the season. This option excludes the Invitational lunch event hosted by Schweitzer Prime Timers, which is a separate cost.

If members should choose to make a payment at the door, the cost for each luncheon is now \$12.00 each week. The Schweitzer Prime Timers will have one machine available to accept credit card payments at each event, or payment may be made with cash or check.

We look forward to amazing ski days, good times with friends and neighbors, and sharing new adventures in the 2027 season. See you on the slopes!!!!
