

Re: Vectrance Group Announcement

18-01-2025

Dear shareholders,

I am pleased to announce that our group has entered a joint cooperation in geothermal energy exploration and production with the Indian group, KIRI.

www.kirigroup.in

I will be chairing the geothermal projects in Asia, Europe and Middle East on behalf of group companies.

Dome D SAS and ClaraMining SAS will be coordinating the technical and logistical aspects for the group under my supervision.

Sincerely,

Bruno Denantes
