A lot of time and resources go into preparing a job for service. RUSH and SAME DAY jobs take priority and require shuffling routes and/or moving other jobs to a different day. Be advised that non-attorney clients, new clients, and delinquent clients will be required to prepay.

Becoming a client has it's advantages!

Not only do you get great service, but once you have hired us for 3 jobs, that third job, and all that follow, receive discounted rates!

NOTE:

Correctional Facilities are slightly more expensive due to the extra steps that are required to gain entry to the facility and because of the wait time involved in locating the inmate and having them escorted to the server.

This is often very time-consuming and occasionally denied due to lockdowns or internal security issues.

PLEASE BE ADVISED:

You will receive up to 5 attempts per address. More attempts, or additional addresses, will accrue additional fees.

You are paying for the attempts. SUCCESS IS NOT GUARANTEED. However, we will give our all to make a successful serve.

Our goal is to be your first choice when you need something served in our areas. We will not achieve that if we do not produce results. If we truly believe that a specific location cannot be served, we will tell you instead of wracking up fees.

THERE ARE NO HIDDEN FEES! If it is not listed above, or we did not discuss it, it will not be on your invoice.

Unless pre-approved, we will contact you for approval before we perform any services that will accrue additional fees. We truly believe that, without integrity, you are worthless to others.

Courier services available upon request. If additional services are required, please contact us to discuss your needs.
