One Mission Cambridge Strategic Plan Vision 2026

- **Programs will continue to be a vital part of the Cambridge community.**
- **Expansion of the Mission Center** to provide more space for people to meet, connect, find shelter from the heat and cold, use resources to help fill gaps in service needs, find a counseling resource to help deal with issues, shop for supplemental groceries to bridge the gap, and help mitigate food insecurity in the community.
- **Community dining options will increase** in number and location so hunger is satisfied, friendships are nurtured, and the message of love is received in a welcoming environment.
- **Operate a sustainable business** to provide funding to maintain and increase the offerings to the community.
- **Necessary funds will be raised from a variety of sources.**
- Staff Members will have **access to a vehicle** in order to assist clients with obtaining Maryland IDs.
