

October 2025 Newsletter

Provide HOPE to our neighbors! - GIVE NOW

Happy October everyone! As leaves turn colors and temps cool a little, we're busier than ever. Every day we are open, more than 80 neighbors walk through our doors to receive food, counseling, and life-giving resources. What a joy and privilege it is to see lives touched and transformed by God's love!

But this mission is not ours alone. **We cannot achieve this work without your support** and that of local churches and service groups. Together, we can make a significant impact in Dorchester County by volunteering, providing financial support, and praying for our neighbors. When believers unite, the light of Christ shines even brighter!

To expand our reach, we ask you to share our new promotional video on social media or in personal communications with friends. We also invite service groups and congregations to show a short video about One Mission Cambridge during church services or other widely-attended events.

Please take a moment to watch below and SHARE it with others (here is the link to share: <https://www.youtube.com/watch?v=UtO2Cvn0UpA>).

United together, we can bring hope, healing, and the love of Jesus Christ to our community in powerful ways. Thank you for considering how you can join this Kingdom mission.

We are excited to link arms with you as we love our neighbors in Christ's name.

One Mission Cambridge Expands Services with New Case Management Program

One Mission Cambridge has launched a new case management program to provide deeper, more personalized support to people facing complex life challenges.

The new service helps people navigate housing instability, utility shutoffs, healthcare access, and other complex needs, extending the organization's longstanding commitment to "community navigation."

The addition of a designated case manager allows for more in-depth, confidential conversations and follow-up.

"Case management allows us to sit down one-on-one with someone and ask, 'What do you need help with to better your life?'" said One Mission Cambridge Executive Director Krista Pettit. "It lets us walk with people a

little farther down the road, helping them become more independent or get connected to the right kind of help.”

October

of People Served at the Mission Center Food Pantry

451 people were served at the pantry with food that fed their household members, reaching a grand total of **973** people as shown below:

Thank You Volunteers and Community Partners!

So much happens at One Mission Cambridge because of the support of our volunteers and community partners. THANK YOU to all of you, day-in and day-out who act as the hands and feet of Christ, bringing love to our community.

Thank you, Christine Harrison, April Collier & Rhonda Mitchell, for creating

crocheted hats, headbands and blankets from many skeins of yarn that had been donated.

As Christine said, "I was told by un-housed friends one day that a hat is often used for more than just a hat. Those words resonated in my soul."

THANK YOU

Simmons Center Market, IRONMAN Maryland and Taqueria Floritas for your generous donations!

Community Partners like these are simply invaluable. Help us thank them by patronizing their businesses.
