

WE EXPANDED!

We **DOUBLED** in size to include:

- a larger and more accessible food pantry
- a private, one-on-one counseling room
- a dedicated lounge area for our guests to relax

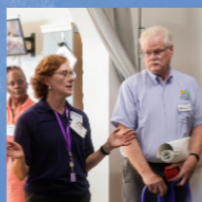

IN 2024

WE CELEBRATED!

Our Ribbon Cutting with the Dorchester Chamber of Commerce was a **HUGE** success! Our staff and volunteers gave tours of our space, highlighting how we are changing lives in Cambridge every day!

Our incoming president and current board member, Rhodesia, describes One Mission as 'a place of comfort and refuge' to those struggling with poverty in our community.

OUR STAFF GREW: Shelly Houlihan shares her experience working for One Mission!

"In the last year I have experienced many wonderful things while working at One Mission Cambridge:

- amazing volunteers who unselfishly volunteer their time and provide hours of hard work to assist our neighbors
- a very supportive community of people, companies, and individual community members that provide various donations
- the wonderful Cambridge community members that we serve. I am so grateful to be part of an organization who provides hope to our neighbors!

I look forward to keeping this hope alive in 2025!"
