Program: “Conversations with Sharon”

A Unique 1-Day Program “Conversations with Sharon” will involve:

- ❖ An interview with your CEO
- ❖ Panel discussions with your Head of Departments
- ❖ Team Building Session with your employees

Outcome:

A lot of informal **messages are required to be communicated to the employees by the management** which is sometimes challenging to the Head of the Department. Sharon will be mediator to communicate such messages to the employees via Panel discussion. This will help the management in improving the operations and function with stronger and better output.
