BPG BALTIMORE POWER GROUP

Engage · Inspire · Motivate · Support

Sponsorship Information

The Baltimore **POWER** Group, (**P**roperty, **O**perations **W**omen **E**xchanging **R**esources), is a consortium that integrates and shares experience, expertise, and knowledge in varying property and operations and functions within the commercial, residential, and industrial real estate arenas, serving Baltimore, Maryland, and the surrounding markets.

Our group's mission is to support personal and professional growth and development for our members and our community. We promote the exchange of information and ideas that facilitate greater efficiency and diversity through the many varied professionals with whom we interface. Members of the Baltimore POWER Group offer a broad spectrum of competencies in numerous real estate functions, markets, and trades that leads us to support worthwhile local organizations. We are always interested in expanding our organization to include new members that increase our diversity and broker our horizons.

Baltimore POWER Group has partnered with Players Philanthropy Fund, Inc. a Texas nonprofit corporation recognized by IRS as a tax-exempt public charity under Section 501(c)(3) of the Internal Revenue Code (Federal Tax ID: (27-6601178, ppf.org/pp). Contributions to Baltimore POWER Group qualify as tax-deductible, to the fullest extent of the law.

Our membership consists of professionals who are strong individuals within the Property Management/Real Estate industry along with a variety of vendors. Over 80% of our dues are donated to a variety of charities throughout the year.

Our group meets up to 10 times a year, once a monthly, throughout the year for lunches that are sponsored by different vendors. Each month, its sponsor has the opportunity to showcase their company and the services they provide. The average attendance is between 30-40 members. Lunch & Learn opportunities are filled no less than 12 months in advance for each calendar year. Once a date is secured, company information along with a venue is chosen and placed on our calendar which is accessible through our website. We ask that all information is received in a timely manner in order to keep our calendar up to date. In addition, we also hold an Annual Holiday Event in November, where we recruit 16 sponsors and offer substantial marketing opportunities to them throughout the year. Feel free to inquire about this opportunity, if interested. We are currently booking 2027 Lunch & Learn opportunities as well as Holiday Event Sponsorship spots.

Feel free to go to the website at www.baltimorepowergroup.com and browse our members page, along with our calendar to see what companies have sponsored lunches in the past as well as the current year.

This is a great opportunity to have a captive audience of many individuals within the Real Estate industry at one time.

For sponsorship opportunities, please email info@baltimorepowergroup.com or baltimorepowergroup@gmail.com for more information.
