## Sponsorship Information

The Baltimore POWER Group, is a consortium integrating experience, expertise, and knowledge in varying property and operations functions within the commercial and residential real estate markets, serving Baltimore, Maryland and the surrounding communities. Our mission is to promote the exchange of information, ideas, and contacts that facilitate greater efficiency and effectiveness for our group and the many varied professionals with whom we interface. Members of Baltimore POWER Group offer a broad spectrum of competencies in numerous real estate functions, markets, and trades. We are always interested in expanding our women's organization to include new members that increase our diversity, broaden our horizons, and continue to grow our POWER.

Baltimore POWER Group receives Fiscal Sponsorship from the Players Philanthropic Fund, a 501(c)(3) corporation. Through this fiscal sponsorship, the Baltimore POWER Group is able to receive tax-deductible contributions, including grant awards, in-kind and financial contributions, in support of its work.

Our current membership is 78 members strong consisting of people within the Property Management/Real Estate industry. Over 70% of our dues are donated to a variety of charities throughout the year.

Our group meets monthly between through the year for lunches that are sponsored by different vendors. Each vendor sponsoring a lunch has an opportunity to do a presentation about their company and services they provide. The average attendance is between 35-45 ladies. We are currently full for 2023 Lunch & Learn. Once a date is chosen, your company information along with a venue chosen is placed on our calendar accessible through our website. All information must be received within 60 days to keep all members informed and up to date. We do have a waitlist should we have any cancelations. In addition, one sponsorship opportunity is still available for our 2023 Holiday Event. Don't miss this great opportunity to network with a large group. Reserve your spot today.

Feel free to go to the website at [www.baltimorepowergroup.com](http://www.baltimorepowergroup.com) and browse our members page, along with our calendar to see what companies have sponsored lunches in the past and for the coming year.

This is a great opportunity to have one captive audience of many individuals within the Real Estate industry at one time.
