#### TO ALL PROSPECTIVE BIDDERS:

Since the issuance of the Bid Documents, information has been disclosed which requires the following clarifications or modifications be made to the Bid Documents as described in this Addendum No. 1 for the 2023 Pulverizing and HMA Paving Services Bid:

1. The Cold Milling on Lake Street & the paving of Lake Street and Norrie Park tennis courts are included in the patch paving bid documents. They are not part of this Contract.
2. Slade Road is not getting 4" of gravel before pulverizing. Disregard that note on the Standard Typical.
3. Quantities have been revised for Slade Road. Use the revised Bid form.
4. Roads graveled and or pulverized shall be maintained at least once every 4 weeks by Contractor as directed by Engineer. Until they are paved with HMA. Water truck and grader may be needed to perform maintenance duties to eliminate potholes. Cost for this maintenance shall be incidental to the HMA Base Crushing and Shaping item.
