The History of Beer in the Quad Cities

presented by

MIKE WENTHE

Local Brewery Historian

Wednesday, October 2nd – 6:30 p.m.

Galena Brewing Co. Ale House

1354 River Drive, Moline, Illinois

Mike Wenthe of Taylor Ridge will be sharing some historical stories of the early local breweries. He has spent his working life in the distribution of beer, wines and spirits. From his collection of brewery memorabilia he will inform and entertain us with bottles and crates to photographs and signs. The first known brewery in the area started in 1847 by Peter and August Littig from France. Ignatz Huber joined them and bought them out in 1854. We'll join the 20th century with the Huber family and descendants stayed in the business. Join us for a beer and some local brewing history.

Free and Open to the Public

The Friends of Hauberg Civic Center Foundation restored the 1911 Spencer and Powers Prairie Style Mansion and adjacent gardens on the estate, which has resulted in increased accessibility to the site so integral with Rock Island's local history.
