FUTURE LEADERS IN ACTION:
LEARNING, LEADING & ACHIEVING

LIBERATED SUCCESS INC.

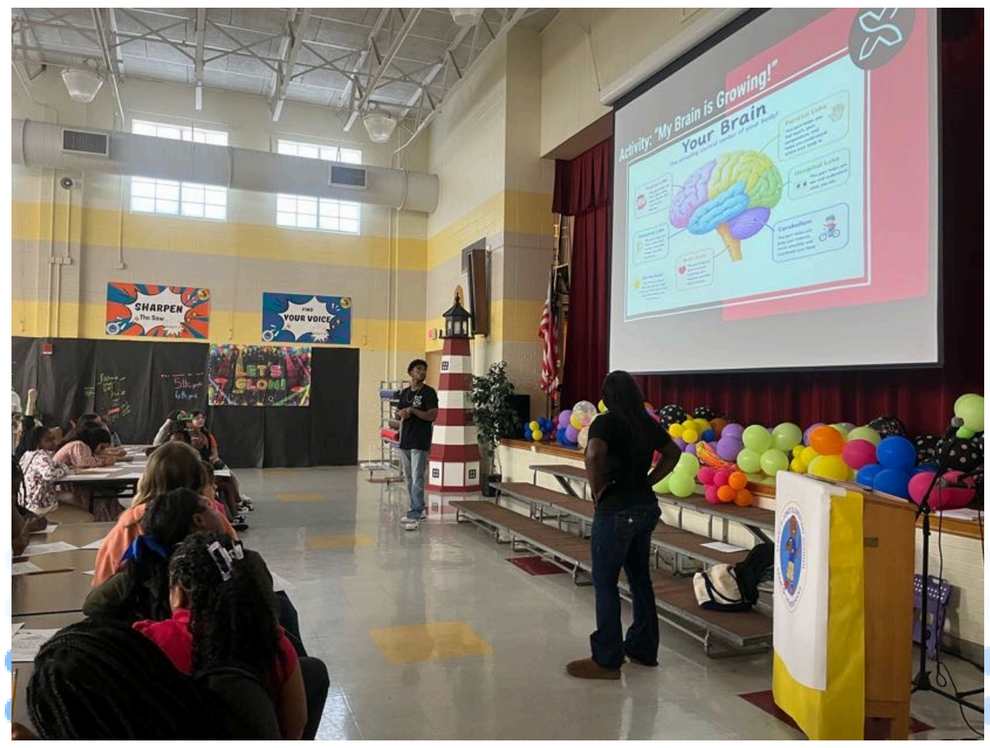

This energetic half-day event introduces elementary students to the foundations of leadership through academic confidence, goal setting, and positive habits led by relatable college mentors. Our approach builds early identity around being a "student leader" while connecting learning to future success. This event is ideal for 3rd, 4th & 5th graders.
Commitment: $5,000 for a 3-hour event.

PROGRAM HIGHLIGHTS

- Opening and Closing Pep Rally | Assembly Style
- 3 workshops facilitated synchronously by grade or class
  - **Study Smarter, Not Harder:** Students will learn simple strategies to remember information, stay organized, and create a personalized plan for completing assignments successfully.
  - **Growth Mindset Lab:** Students will understand that their brain grows when they try, make mistakes, and keep going.
  - **HBCU Excellence:** Students will be introduced to the significance of HBCUs and connect their current academic efforts to future opportunities.

STUDENT BENEFITS

- An understanding of what it means to be a leader in and out of school.
- Increased confidence in their academic abilities.
- Practice goal setting and a growth mindset.
- The connection between school success to future opportunities.
