

Liberated Success - Workshop Series

Liberated Success workshops are meticulously crafted to empower students with holistic character development and interpersonal skills, nurturing their potential for future success. Through interactive sessions, students embark on a transformative journey cultivating confidence in their personal and post-secondary lives, unlocking their true potential.

CAREER EXPLORATION WORKSHOP SERIES focuses on helping students discover their passions and strengths, providing tools and guidance to identify potential career paths that align with their interests and skills. Workshop themes include exploring career pathways, identification of career clusters, and goal setting.

10 consecutive sessions \$9,000 for workshop series.

EMPLOYMENT READINESS WORKSHOP SERIES builds students' interpersonal skills and emotional intelligence to navigate the ever-changing world of work. Workshop themes include communication skills, workplace ethics, and job search strategies.

10 consecutive sessions \$9,000 / 16 consecutive sessions \$14,400 for workshop series

TRANSITION PLANNING WORKSHOPS SERIES for students with disabilities to gain a deeper understanding of the world of adult services and to deepen their self-advocacy skills. Workshop themes include transitioning to adulthood, independent living, and disability disclosure.

10 consecutive sessions \$9,000 for workshop series.

COLLEGE 101 WORKSHOP SERIES prepares students for college, helping them navigate life as a college student. This workshop series addresses the academic and social challenges students face in college. Workshop themes include self-advocacy, time management, financial literacy, and utilizing campus resources.

10 consecutive sessions, \$9,000 for workshop series.
