Please Support the Westmoreland County Republican Committee Financially!

We went all-in during November of 2021 to support our local and countywide elections, with great success, but we need to replenish our funds in order to keep pace in 2023.

We are asking everyone to please step up and support this organization with a donation.

Thank you to the Districts and Individuals who have already given so generously this year to keep us going. We have about 700 committee members now on our roster and even a small donation of $20 would put $14,000 in our account. We need at least that much in order to keep our office doors open and pay for materials and mailers this year alone.

We can't do it alone, we need your help and as a committee member you can make a difference! Help us spread the word. Checks can be mailed to our office and you can donate online through a link on our website at www.westmorelandgop.org.

Thank you for helping us sweep the Westmoreland County row offices in 2021, now we must ensure that we maintain republican control in 2023.
