- 1 Exit the pub, turn left, follow lane for 650 yards
- A then turn right at footpath sign.

50 yards ahead path heads downhill through trees. Follow for 150 yards then gradient increases (evidence may be a watercourse).

250 yards on, bear left and continue on track through trees (may be soft underfoot in places). 200 yards ahead, track narrows to a path.

Walk ahead for 240 yards then turn right past house and continue on track downhill through trees.

Cross stream after 70 yards. Track heads gently uphill. After 90 yards, bear left and continue for 430 yards.

Turn right on to road and head uphill. Follow with care for 320 yards then road levels off and heads downhill.

- B Walk for 200 yards and turn left at Byway sign. Head steadily uphill on track for 130 yards.

Track bends to left. Continue uphill through trees for 380 yards then track heads downhill.

- C 110 yards on with marker post to left, bear right and follow track through trees. After 110 yards, ignore track to left and continue ahead (may be soft underfoot in places).

- 2 370 yards on, path heads gently downhill. Follow for 270 yards and path bends left then right 30 yards on.

- 3 Continue on path downhill through trees for 430 yards then turn right past marker post on to gravel track.
- D

Walk uphill for 170 yards and then ahead on grass as track bends to right. Bear right and cross stile.

Continue ahead gently downhill along left edge of field for 230 yards then pass into next field.

Walk ahead along left edge for 100 yards, cross stile and follow grass path

Turn left and follow lane back into the village for 250 yards. Turn right at the T-junction.

Walk along pavement for 160 yards and bear right at forked junction. Just 120 yards and you arrive back at the pub for some well deserved hospitality!
