Rosedale Center

1. Rosedale Center

Rosedale Center is a premier shopping destination and features more than 120 retailers, full service restaurants featuring fine dining restaurant Baldamar, AMC Theatres and Von Maur and Potluck Food Hall.

2. Sea Quest

Encounter exotic animals like never before when you visit SeaQuest in Roseville. It features over 25,000 square feet and thousands of animals! Interact with stingrays, sharks, and other marine life; and feed exotic birds and reptiles from all over the planet.

Sea Quest

3. Central Park

As Roseville's largest park, Central Park is divided into six unique zones connected by walking and biking trails. See undeveloped nature areas, take in a quiet picnic, or visit the Muriel Sahlin Arboretum.

4. Smash Park

Smash Park has something for everyone and every occasion, all year round. From pickleball, cornhole, and darts to arcade games, axe throwing, and so much more, come experience it all under just one roof. Smash Park offers specialty cocktails and craft beer, but they are known for their scratch-driven food in a vibrant and inviting atmosphere. Whether you're dining in or taking the taste with you, it's your one stop for epic fun and comfort food, perfect for the entire crew!

5. Hidden MN

Hidden MN is an interactive, team-based entertainment experience. Your team of 2-10 people become part of the story. Find the hidden objects, solve the puzzles and complete the mission. Now featuring Axe Throwing.

6. Gamezenter

Spend time together without spending a lot of money. At Gamezenter, you can meet up to play more than 150 board games. Food, coffee, and cocktails are available for purchase. If you like the games you try, feel free to buy one and take it home for more fun.

7. John Rose MN OVAL

John Rose MN OVAL is a unique outdoor recreation facility with 110,000 square feet of refrigerated ice from November to March and hosts an aggressive skate park and inline skating from May to September.

8. Reservoir Woods

You can walk for miles in this 115-acre Roseville Park and see little sign of development – just hilly terrain with lots of pine trees, wetlands, prairie grass and savanna.

9. PAR365

At PAR365, every season is the perfect time for golf enthusiasts. Immerse yourself in the golf lounge, where cutting-edge simulators transport you to the world's finest courses and exciting venues. Beyond refining your swing, the simulators offer an array of skill-based games such as skeeball, darts, cornhole, and mini golf courses. PAR365 ensures interactive enjoyment for players of all skill levels, whether you're honing your skills or taking your inaugural swing.

10. Love From MN

Locally owned boutique featuring food and gifts celebrating the state of MN.

11. Patina

Locally owned boutique known for selling a curated mix of affordably priced gifts, home décor, scents, paper goods, jewelry, and toys in an inspiring environment.

12. Sandbox VR

Sandbox is a futuristic VR experience for groups up to six where you can interact with everyone inside, just like the real world. When you enter the Sandbox VR world, you become the action!

13. Harriet Alexander Nature Center

Located on the east side of Central Park, the Harriet Alexander Nature Center is a scenic oasis in the middle of the city. Boardwalks wind through 52 acres of prairie habitats and wetlands where you can spot songbirds, turtles, rabbits and more. Exhibits and displays inside the interpretive center offer a close-up chance to study plant and animal life.

14. Bell Museum

Minnesota's official natural history museum and planetarium. Their home on the University of Minnesota's St. Paul campus features a digital planetarium, high-tech exhibits, their famous wildlife dioramas, outdoor learning experiences, and more.

15. Gibbs Farm

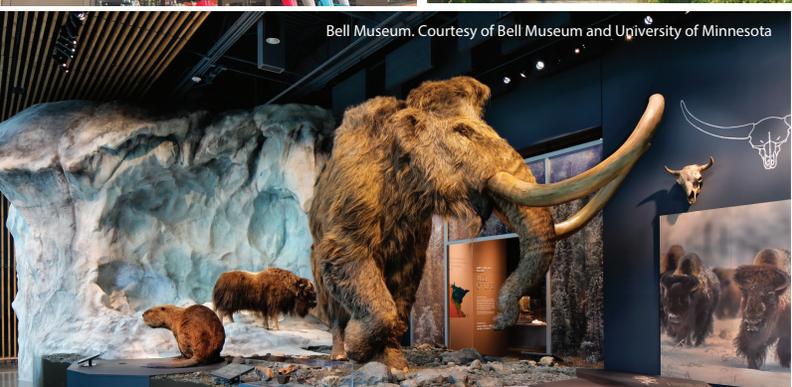

Gibbs Farm is a historic museum interpreting pioneer and Dakota life in the mid-1800s. Site contains Dakota-style tipi, a bark lodge, a wild rice camp, and the Gibbs family's historic farmhouse, barns and a replica of their first sod house.
