

LIST OF SERVICES AND PRICES

All prices are subject to Vat at the current rate.

Some courses or assessments will also be subject to a £20 certification printing and admin fee. – ask for more details

Please ask for further details on any of the below, we love talking to our customers!

Track Engineering

Assessments;

- **Annual track handback engineer assessment**
Duration: One day
Maximum Candidates: 2
- **Handback engineer work portfolio**
These can be issued providing you can supply us with all the correct and required information.
Also these will be added onto the cost of the annual THB assessment if you do not already have something similar in place as it is a requirement, more information can be obtained upon request.
