

**SX PROTECH** 

## **ABOUT SX PROTECH**

SX PROTECH is a high-tech company specialized in R&D and manufacturing of pro grade renewable energy products and outdoor solar lights. Established in 2001, SX boasts a standard solar street light production line and a strong expert team of management, development, manufacturing and marketing.

As a leading manufacturer in solar lighting, SX insists the in-depth understanding of customer needs and adopts the advanced technology and design into each solution of our lighting products.

The Stable product quality and excelent service have won unanimously high praise from our customers both domestic and abroad.

# TABLE OF CONTENT

- >>> Solar Street Light
- >>> Solar Garden Light
- >>> Solar Flood Light

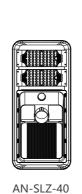

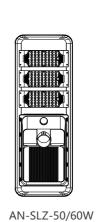

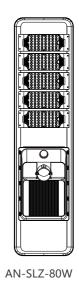

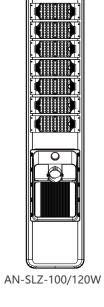

- Elegant all in one structure design, saving transportation cost, easy to install and convenient for maintenance
- 140° wide lighting angle covering wider road area
- Die-cast aluminum bracket, high mechanical strength, anti-wind resistance of level-16
- High power, enlarged capacity led module design, equipped with high-brightness LED chips, improving the brightness by 30%
- Remote control, four lighting modes for choice, flexible to switch via remote control
- Adopt high-efficiency mono solar panel and new lithium battery
- Self-developed intelligent control system, ensure the lighting time and stability

PATENTED DESIGN SOLAR STREET LIGHT

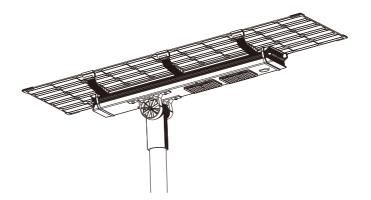

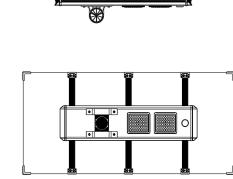

- Independent design of double-sided solar panel, increase power generation up to 30%
- 140° lighting angle covering wider road area
- Adjustable bracket, 180 degree arbitrary adjustment, suitable for different installation way
- Die-cast aluminum bracket, high mechanical strength, Level-16 anti-wind resistance
- Remote control, four lighting modes for choice, flexible to switch via remote control
- Adopt high-efficiency mono solar panel and new lithium battery
- Independent developed intelligent control system, ensure the lighting time and stability
- Big power up to 200W, specially design for project

#### **TOP PERFORMANCE OF THE INDUSTRY**

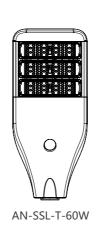

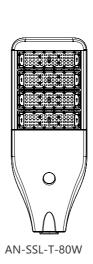

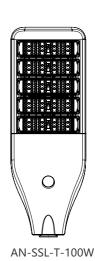

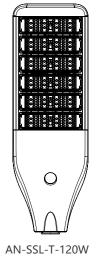

- All in two design, one step plug-in for wiring connection, easy to install and maintain
- 140° lighting angle, covering wider road area
- Independent design of solar panel, can increase power generation up to 30%
- Die-cast aluminum bracket, high mechanical strength, Level-16 anti-wind resistance
- Remote control, three lighting modes for choice, flexible to switch via remote control
- Adopt high-efficiency mono solar panel and LiFePO4 lithium battery
- Independent developed intelligent control system, ensure the lighting time and stability

Power	60W	80W	100W	120W

**AN-SSL-T SPLIT TYPE SOLAR STREET LIGHT** 

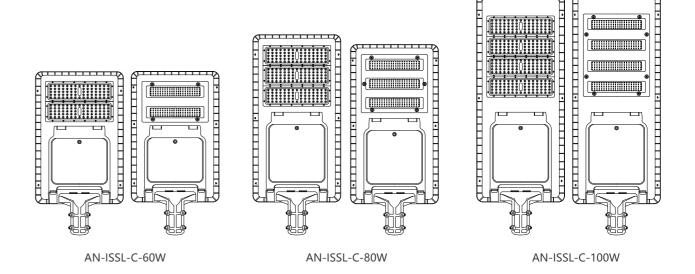

- Elegant all in one structure design, saving transportation cost, easy to install and convenient for maintenance
- 140° wide lighting angle covering wider road area
- Adjustable angle lamp arm, can be used in two differernt types of lamp pole
- Die-cast aluminum bracket, high mechanical strength, anti-wind resistance of level-16
- Snap-type battery box design, convenient for battery and controller maintenance
- Adopt high-efficiency mono solar panel and LiFePO4 lithium battery
- Self-developed intelligent control system, ensure the lighting time and stability
