AARA Region 9 Adult and Junior Championships

The AARA Region 9 Adult and Junior Championships was held on February 17-19, 1989 at the Mt Clemens Racquetball & Sportcenter in Mt Clemens, Michigan The tournament drew entrants from Michigan, Ohio, West Virginia, and Canada for the three-day weekend. Counting double events there were over 330 entrants playing in over 30 different divisions from a Junior Boys 12 to Men's 55 for the first time, even a women's 40 division.

The hospitality was great and many people complimented the club on it. This included the fried chicken on Saturday night as well as the pizza.

All entrants received a collared shirt and tie-tack pin with the three states in the region on it. Julian and Lou Ellen Fecher were tournament directors for the weekend and as usual did a great job. This was tough keeping the matches on schedule when over half of the tournament entrants played in two divisions which many times were back-to-back.

The plaques this year will also be used in the future tournaments and contained the same logo on the medallions as the pins. The consolation and semi-final plaques contained a bronze medallion, the second place plaque contained a silver medallion and the first place plaque contained a gold medallion.

Michigan again produced the winners for the Men's & Women's Open events. Chris Cole was the Men's Open Champion and Joetta Hastings the Women's Open Champion. Only two people this year were two division winners. These were Joetta Hastings in the Women's Open and the Women's 30 and Mike McPherson in the MB and Men's 30B Congratulations should go to these two people

Thank you to Penn and Ektelon for their sponsorship of this year's event and a thank you to Steve Ternullo the Manager of Mt. Clemens Racquetball & Sportcenter and the rest of his staff for helping to make this an enjoyable weekend for players and spectators alike

Racquetball Restrospective: Point Hiser

Dear Michigan Racquetball Players,

As many of you already know I will be leaving Michigan at the end of this season Although my new position as assistant executive director of the AARA provides an inspiring challenge, my forthcoming departure is tainted with the reality of leaving many friends and racquetball enthusiasis

Racquetball has been a major part of my life in Michigan. Although at times I often felt racquetball dictated my entire being. I can honestly say I do not regret any part of my involvement. From the furious battles between the old MRA and AARA devotees, to themany long hours behind a tournament desk to the heated encounters on the court with some of my elderly foes. I cherished the experience which in some small way I hope contributed to the growth of Michigan racquetball

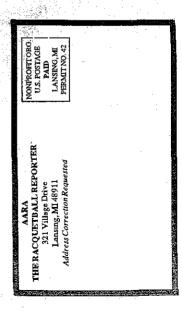

Thanks to my friends Stu Hastings, Chris Cole, Mike Anderson, Denny Wood Tom Blakeslee and of course the Fechers. the Super7s will continue to exist Although I will still be involved in some organizational capacity, these people will be responsible for continuing the legacy of the nations longest running amateur tournament series

It is true the racquetball has endured many changes during my fourteen years of involvement in Michigan. Although tournaments are no longer over crowded with 500 or more entries the quality and conduct of players have definitely matured. The decline in juniors and women participants is of much concern to everyone but the recent recognition of racquetball as a Class A Olympic Sport may provide the needed stimulus to again attract these much needed seements.

Although I foresee many changes in the near future (a handicap system to equalize club and tournament play more specialized tournament play to restrict play to only one or two days greater television and corperate involvement) the success of

Michigan racqueiball is dependent upon YOU The state organization is limited by both resources and man power and needs the ideas and assistance of its members Became involved, even if its's only to voice your opinions and provide ideas for improvement

In closing I would like to thank everyone who has supported the Super 7s over the past eight years. Your involvement has made the events the most successful amateur series in the country I also thank Dr Fred Lawerenz for providing the financial and motivational stimulus to develor the series. To my long time rivals Ken Bonnett, Mike Stephens and Johnny Norhtern I will miss the anticipation of our monthly battles Finally, to my students and friends Lisa Ecker Chris Cole, & Jim Floyd successes but remember racquetball is just a game, always keep it in its proper prospective - have fun! I will miss you all -- Jim Hiser.

VIEW OF THE PRESIDENT

As you read this article "Michigan Racquethall should be winding down for summer break. This year's "States Singles" will be the best ever I assure you For door prizes, we will have several sponsors and hand out racquets, shoes, sweatsuits, caps, and a very nice monogrammed sweater Hopefully, almost 300 of Michigan's finest players will participate in the event Racquetball, in my opinion, has finally begun to experience some new growth after a few years of decline. In the last several months I have traveled to Colorado, Boston New York, Washington, Orlando, and New Orleans, and yes, I played racquethall in every city Racquetball seems to be in the same condition in each state; fewer courts, multi-dimensional clubs, smaller facilities, and new players. Those that expected rapid fad-like growth can now expect stability and steady growth. It would be nice to get those new players to enter out tournaments.

I would like to comment on three subjects in the rest of this article

FIRST. The most important event of the year was the AARA and racquetball s acceptance into the United States Olympics as a group A sport. At this writing we are involved trying to get racquethall as a demonstration sport in the '92 or '94 Olympics. With this status, we also have almost a quarter of a million dollars and the money will be spent in several areas. Grants to states will total \$30,000! Increased national staffing will require \$50,000, and the balance will be spent on tournaments, clinics, national team, and other areas, all designated to help promote racquetball as an Olympic sport. This information was reviewed at the annual state and Regional Directors Seminar that Jim Hiser, Jim Easterling and I, attended in January Other very important events will include our participation in the Pan Am games in Cuba in 1991. The National Junior Championships has been renamed the "Ektelon Sponsored Junior Olympics". Ektelon, as you guessed by now, is the major AARA sponsor and has recently extended its contract to somewhere around four years. The AARA has made a promotional video and will sponsor a minimum of two events on National Sports Cable Networks similar to PASS Hopefully, the Junior Olympics and the National Doubles and Finals will also be on cable. The only way for our sport to experience positive growth will be from a blood transfusion called TV coverage

Some other notes of interest from the seminar indicate progress at the Senior and Master's age group. Elite, invitational tournaments, continue to grow in prestige, and the 35-plus age group is probably the largest playing group. Master and Senior Council and the AARA are trying to resolve their problems so racquethall can all go forward at the amateur levels. Concentration continues at the Junior level, with the Junior Olympics

and Orange Bowl Championships growing each year. At the High School level we now have a National Championship, but competition for the High School atblete is still a problem. The intercollegiate regional tournaments, I think have grown slowly, and this year will be the best ever. Our own Nick Rallis, Jim Floyd, and Chris Cole will be seeded Also, at the Director's Seminar a \$100,000 handicap random seeded tournament was reviewed. Basically, the pros start a minus 4 open at +3, age groups at 9 or 11, and everyone else at +13. All you need is two points to beat Yellen for \$100,000. A very interesting concept. The Regional Qualifying and Championship Tournament will take place next January

Another interesting fact from the seminar was the U S Military is the largest group of racquetball players in the world I could go into more detail and facts from the seminar, but space limits to cover only these highlights

SECOND My biggest disappointment this year was the collapse of the WPRI. Once again, the pros continue to flounder. What began with a big money televised schedule of events ended in disarray. Only Davison and Virginia were nn national TV

The pros continue to stumble under the lack of leadership, organization, and dollars The only true stars of the game, Mike Yellen and Marty Hogan will soon be too old to

THIRD In case you haven t heard, Jim Hiser plans on moving to Colorado this summer With his exit a tremendous void and black hole in the universe, known as racquetball in Michigan, will be created. Jim is a visionary, with drive, ambition, and desire, who probably created more for racquethall in our state than anybody ever. Some examples are the Davison Pro Stop, the largest running pro stop in the world, the Mike Yellen Michigan Junior Scholarship Foundation, the Michigan Hall of Fame, the Outstanding Racquethall players award, the Super 7 Racquetball tournaments, former commissioner of WPRT, vice president AARA, many national rule changes. Jim, in my opinion, in RACQUEIBALL IN MICHIGAN We will sorely miss him However, he can now work on the promotion of our game at the national level where he can do even more good

I will miss him as a friend and wish him the best of luck. However, to fill the void we need some of you to step forward and help with the work. We need your assistance and that is the final message of my article. It's time some of your die-hard raquetballers step forward and help us on the board; are you listening or reading Chris, Jim, Nick, Stu,

Why Have A Coach?

Stu Hastings U.S. National Team Coach 1988 National 35+ Champion 1988 National 35+ Doubles Champion (partner RickVanderlind)

At every level of play in every sport, we have coaches. Yet if someone takes a racquetball lesson once a week or maybe twice a week, people ask isn't that overdoing it? However, when we played sports in high school or college we would practice 3, 4, or 5 days each week, 2 or 3 hours a day for each

game. Each practice and game would be under the supervision of our coach. WE never thought or asked if this was too much practice or coaching.

Do we need a coach? Why not practice and compete alone? Many times an impartial set of eyes can pick out things that you might not see in your game. Even if you are knowledgeable about the game in general or a specific match in particular, you are often too close to the task to be impartial in your judgement or critique. It is much like proofreading something you have typed. When you come to a mistake, your mind has a tendency to read what should be there rather then what actually is there. It is best to have someone else proofread the material or analyze your game.

Many of the top athletes in tennis, track, and even some team sports have an individual coach. Some athletes have several individual coaches that specialize in a particular facet of their sport. As a Cor B player or even an Open or Pro player, I'm sure you can visualize the benefits of coaching. Why then, don't the pros all have coaches that work with them on all the various aspects of the game? Whether amateur or pro, the answer is money at this time there is not enough money generated to pay a full time coach. The answer: If you can't go to school full time-go part time. You should attempt to get together with a reputable coach by attending a camp in your area. If not, travel to their area to expand your knowledge. Another idea, is to send a video tape of your self (strokes, and playing) to be analyzed through the mail. Fran and I have had each of the above relationships with various students over the years. It may seem like a lot to expect of yourself.

Obviously, it would be ideal to work with this coach on a regular basis. But, some is better than none. Many times it is ego and not money that keeps potentially good players down. They figure they got here on their own so they will continue to grow the same way. WE didn't get to where we are without belp and support and neither did you. Sometimes when we get good at something we forget. You've had instruction and coaching along the way even if it wasn't professionally taught.

I have worked with all levels of play and have personally worked with some of the best names in the game today. A few are the rising stars such as Dan Obrenski, Roger Harripersad, Leigh Anne Couter, Dottie Fischl and Patricia Blue, and a top pro in Caryn McKinney I have worked with Caryn the longest and she has recently won the last 3 pro stops and taken sole ownership of the #1 ranking in women's racquetball. So, did I win these last 3 pro stops? Will I make Dan or Roger the next #1 male in the game? The answer is no The coach is a tool to be used by the player to reach a goal. The coach is much like a map. He might tell you how to get there, but you have to do it yourself. Caryn McKinney was #2 in the world for several years prior to contracting me. I think most of us would have been happy to be #2 for so long and wouldn't have been mitterested in having a "coach" mess with our already successful winning ways. I guess Caryn figured if your are not going to go all out, why go at all?

Remember: The mind is like a parachute it works best when open! If your think you have this game all figured out or perfected, that is when you stop growing. We can always improve with a little coaching.

NEXT MONTH: What make a Good Coach?

Also, please send any specific questions or situations you have about coaching to Stu Hasting in care of RAM.

FERRIS STATE UNIVERSITY TEAM

The PSU racquetball team was organized in 1984. Practices were conducted on a once per week basis, with local on-campus talent. Since that time, the team has evolved to recruited players from outstate Michigan, Illinois and Canada Team practices are held two hours per day, four days per week. On the weekend, team members compete in open level tournaments throughout the Midwest in preparation for the three major collegiate tournaments These students compete weekly from Toronto to Detroit to Chicago, in addition to their studies, and fund raising events.

The FSU team has compiled a tremendous record in its short history: State Collegiate Champion 1987 & 1988 Regional Collegiate Champion 1987 & 1988 Eight/Collegiate Nationals 1986 & 1988 Third/Collegiate Nationals 1987

It is anticipated the team will repeat as State and Regional champions and finish in the top four in the Nation

Ferris State University Racquetball Team won their third consecutive regional title Feb. 11 & 12 at the Charlie Club in Palatine, IL.

Sixty-six single players and 28 doubles teams competed for seeded positions at the National Tournament to be held in New Orleans March 29 April 2. The competition drew men and women collegiate racquetball players from 13 universities throughout the Midwest.

Ferris State University dominated the play by winning 9 divisions and placing second in 5 divisions, single and doubles play combined. Team captain, Larry Meeusen, lost in the semi-finals to Dave Werschay from St. Cloud State. Jason Reynolds, FSU #2 singles player lost in the finals to Brent Stinson of the University of Minnesota

Troy Altenburg won the #3 singles title in an exciting match over Sam Tenalian, Central Michigan University. Troy was down 7-3 in the tie breaker and fought back to

a 11-9 win Jim Skinner Jr, freshman from Flint never lost a game in completing a sweep of #4 singles, winning the final match over Dan Logan, Central Michigan University Ken Emery and Al Cull completed the Men's domination of singles play winning #5 and #6 singles over Bill Anderson, and Mike Armrustu of Purdue Both finals were decided by 11 point tiebreakers

In men's doubles competition, FSU team of Larry Meeusen and Jason Reynolds lost in the finals to Todd Stead and Brent Stinson, from the University of Minnesota Troy Altenberg and Jim Skinner also lost in 2 in finals to Sam Tanalian and Dan Logan of C.M U Senior Al Cull and freshman Ken Emery teamed up to win #3 doubles over the C M U doubles

The Bulldog women s team won 2 singles and 2 doubles LisaYackley and FS U freshman from Chicago lost to Kim Russell, University of Kentucky, in the finals of women #1 singles Senior Captain Linda Cok won #2 singles and teamed with Lisa Yackley to sweep the women's #1 double division. Junior Sandy Wagner, captured second in #3 singles winning over Lara Ficher, Purdue University Diane Johnston and Gretchen Postula rounded out the women by winning #3 doubles in an 11-9 tie breaker victory over Central Michigan. Lori Maxwell won #6 singles over CMU.

Much of the success of the Bulldog team can be credited to the local community and its support of fund raising which has produced monies for scholarships. Ferris in one of only 3 Universities in which racquetball scholarships are used to recruit new players.

The racquetball team must now prepare for the national competition to be held in New Orleans March 28 April 2 Ferris is currently favored to finish in the top 5 in the nation

Joel Bonnet is following the path of Michigan's current top three Open players and may reach a level these players did not obtain, National Junior Champion Joel follows the rich tradition of Chris Cole, Jim Floyd, and Nick Rallis, all who challenged as semi-finalists at the National level in the

"National Olympic Junior Championships" Joel has already challenged in the 16 year old Division and is A legitimate contender for the National 18 Junior crown this summer at only 17 years old

Joel is known as the "Crusher" by the above group and for good reason. Joel hits the ball with professional power from both sides, backhand and foreband Joel is truly an exciting player to watch as his power, quickness, and endless low probability shot making abilities provides continued awe. Since last spring Joel has been the new kid on the block and truly is a threat to Chris Coles' five-year reign on State Champion.

Finally, on the brink of being the State's best player, Joel has a very different, but innovative grip Certainly, it is not one that the game's expert instructors like Stu Hastings or Tom Brownlee would show you. However, it may be as innovative as was "Hogan's Power" racquetball, and I remind you to consider "what works works, and well". Basic footwork, hasic stroke, basic grip? Joel adds another twist or two! A forehand grip that looks abnormal at times, but has enabled Joel to his extremely flat shots. His backhand grip is very unorthodox and high looping backswing has also helped him reach the semi-finals or higher in 17 of the 18 pro/open events he has played in this past season The"grip" allows a very smooth, almost effonless shoulder-high delivery that seems to help Joel hit more consistent powerful splats. Joel was at his best February 26 in Canada, where he won his sevenith pro/open event defeating Mike Ceresia for the second time this season, 11-8, 11-10, 7-11, 11-4. Different grip and strokes for different folks maybe Michigan's first 18 year old National Champion

National Masters Invitation By Duane Russell

La Mancha Racquet Club Phoenix, Arizona February 16-19, 1989

There was a huge turnout for the National Singles Masters Invitational Tournament. Not all applicants were accepted. Indeed, two clubs had to be used to handle all of those who had been admitted. The 45-49 and 50-54 groups were sent away for play returning for meals.

Michigan had 5 players who showed up:

Robert Miller	Iron Mountain	60-64
Dale Schaefer	Detroit	55-59
Paul Becker	Muskegon	50-54
Jerry Gray	Big Rapids	45-49
Duane Russell	Lansing	60.64

Paul Becker from Muskegon was very pleased with his performance in the tournament. He finished second in his flight. Last year he finished fourth

I finished first in my flight and was unhappy Idon'tknowwhether I am a winning loser or a losing winner.

At any rate, the La Mancha Club is a great facility for a tournament. Tremdous food for the evening meals was served outside under the stars with temperatures in the mid-70s. A welcome change form the icy blasts of the mid-west. One fellow from Fargo, North Dakota had a turnaround from -24 degrees to 80 degrees in Phoenix. We even had one player who came to the tournament form Alaska.

Michigan Super 7 #3

The Michigan Athletic Club hosted the third event in a series of seven of the Michigan Super Seven's With just a "touch" of snow on the ground and in the air it was a perfect December weekend Traffic was heetic at the nearby malls with Christmas Shoppers, but not so in the Club. One hundred twenty-two people elected to play instead of shop with a total of 184 entries. Though small for a Grand Rapids tournament, the play was superb. There were tough matches in almost every division.

Women's divisions were on the weak side with just women A. B, C, D & N

The club was in excellent shape with great viewing and refereeing from every court Hospitality was also good and well organized

We would like to thank the Michigan Athletic Club for hosting the tournament and their staff for doing such an excellent job in making the tournament a success. It sure made our job easier when towels for every occasion were readily available without asking.

Inanks again to the MAC and also to all players who participate in the Michigan Super Seven Series

Greater Flint Winter Games Flint Olympians Play it Again!

Flint athletes compete twice a year in a city wide Olympion competitlon that consist of 14 individual and 7 team sports. This year's competitlon was the 12th year, with 4,453 participants. It has grown significantly from the original 1,971 participants.

Olympian Racquetball competition at Court House Club was tight to the end with the breakers deciding several of the divisions. The 3 day double elimination event is often the flist tournament experience for many of the Flint area recreational racquetball players. It is also their first experience in refereeing and a great opportunity for them to see some of the area's finest players in action. It was also great to see these people encouraging the new players in their lower levels of competition. This has to be what racquetball is really all about. The various sport areas included:

The 1987-88 Mike Yellen Michigan Junior Scholarship **Foundation**

By W I Blakeslee

The 1987 and 1988 "Mike Yellen Michigan Junior Scholarship Award" foundation winners were Jim Floyd and Nick Rallis

At the conclusion of 1988, the two received checks of over \$2,000 each and the awards will total \$4,500. Several years ago Mike Yellen and Jim Hiser had the foresight to initiate and plant the seed that created the Foundation and Junior Scholarship award as it exists today Basically. Mike Yellen started the Junior Scholarship fund by contributing \$500, every year since, the award has grown to our annual award of \$2,500. Mike Yellen is still the cornerstone of the award and the scholarship continues to bear his name. In addition to Mike, Fred Lewerenz, Ron Slavik, Rick Vanderlind, Jim Hiser Tom Blakeslee, and the Racquetball Association of Michigan continues to fund, determine the recipient, and makeup the foundation

The winners are selected by an outstanding balance of racquetball and scholastic performance In addition, the winner must attend college and participate in intercollegiate racquetball to finally receive the award. Normally it might be expected that the award would be given to one racquetball scholar However, picking between Jim or Nick would be like choosing the perfect fruit, and apple or an orange - you decide by the following

NICK RALLIS ACADEMICS

Highschool grade point average 3.89, sixth in class, Varsity letter, President Academic Fitness Award, Michigan Competitive Scholarship Award, Michigan State University Academic Excellence Award, National Honor Society

NICK RALLIS RACQUETBALL Captured five first place, eight second place, and eight semi-finalists finished in 1988 Eighteen Division Champion Second in State Doubles and semi-finalist in open division Quarter finalist in National Junior Olympic Championship Sponsored by Ektelon and Lewerenz Sports Medi-

NICK RALLIS UPON GRADUATION

Currently attending Macomb County Community College- 4.0 grade average and wants to transfer to the University of Michigan as a Junior Continues to excel at racquetball. Second in Open at Region #9 and third in the Regional intercollegiate. Loves college and is considering a career in engineering.

JIM FLOYD ACADEMICS

Gateway Wins "Fall" Men's Tri-County League

By Jim Skinner

As League champions for the first half of the season, Gateway Racquetball's Men's Traveling Team has become winners Competition throughout the fall has been intense and every team is doing their best to win their way to the top. Competition is tough and everbody's having a great time in the Tri-County Men's Travel League

Final standings for the first half were: Gateway 205

Meadowhrook 184 Court House Club 183 University R., C. 173 Waterford Hills 167 Cresent Lake #1 123

Currently, Meadowbrook Racquet Club is in first place in the second session. The team in first at the end of the second session will play Gateway for the overall champion.

The old Keatington Racquet Club is now playing at the University and captain Dan Burrel is getting them organized

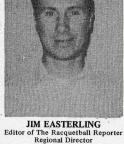

Other teams are invited to join the league. It is boped that next season more teams will be added to the competition. There is also the intent to develop competition at more advanced and beginner levels. All individuals and/or teams who might be interested should contact one of the following people: Bryan Turner

1-313-624-4162, Rufus Gage 1-313-673-1725, or Jim Skinner 1-313-743-4510

Level of play includes players who have not won an A division tournament in a level 3 sanctioned tournament or above in the last two years.

The players have had a great time this year and it is hoped that the league will expand duing the season. COME JOIN USII

What does the player do?

These are all good questions and you as a tournament player have certain options. If you are playing in an AARA sanctioned tournament you have the right to "object or protest" certain calls or rules or situations.

1. You and your opponent have the right to overfule your referee. i.e. The ref calls the shot a skip and both of you say it was a good shot. You two have the right to overrule your referee and he should change his call accordingly.

2. You have the right to ask your referee to watch certain situations, i.e. You think your opponent is stepping over the front service line on his serve. You can ask your referee to please keep an eye on your opponents front foot when he is serving. 3. If you AND your opponent want a different referee you have the right to request one, i.e. You think your referee is not calling hinders and is missing too many short calls on you. You and your opponent can talk it over and if both of you agree the referee is not doing an adequate job the two of you can ask the tournament director for a new referee. 4. You are entitled to a rule interpretation by the tournament director. i.e. You think the referee is doing agood job, but doesn't fully understand the 10 second rule. You have the right to ask the tournament director or someone appointed by the tournament director to come over and explain the 10 second rule. The tournament director should explain the rule to both players and the referee at the same time.

5. If after talking to the tournament director and then you are still not satisfied, at some tournaments then you can request a ruling from the rules committee. A rules committee is usually made up of 5 people who are quite knowledgeable on the rules. i.e. At the Regionals player A has a match scheduled at 6:15 and at 6:30 player B had not shown up so player A was given a win by forfeiture. At 7:30 player B came in and said the club told him his time was 8:15. After investigating the situation the mistake was made by the club's front desk and the tournament director said player A had to play the match. Player A was not happy with the ruling and requested a decision by the rules committee which in turn supported the tournament director's ruling.

6. If you have a problem with a rules committee decision and you are an AARA member at an AARA sanctioned tournament, you have the right to register your complaint in WRITING with the state-association.

7. Finally your last step of appeal is to express your complaint in writing or in per-

son to the AARA National Board of Directors in Colorado.

I hope this has helped you understand some of the rights that you as a player have in dealing with concerns regarding your participation in tournaments. If you have any further questions please feel free to call me in the evenings at home the number is (517) 887-0459.—Jim Easterling

Metro Women's Travel League Gateway Racquetball Center

The meeting was called to order by Alida Mainhardt at 7:10 P.M. The minutes of the last meeting were accepted as written.

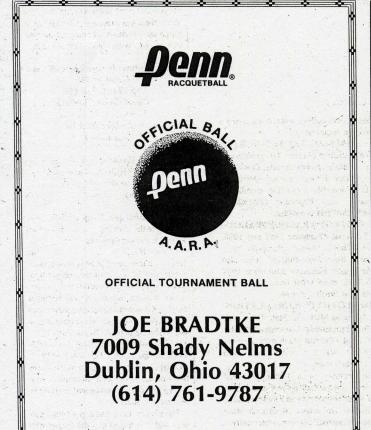

Those teams not represented were: Sunday Level 2 — Court House; Sunday Level 4 — Court House & Gateway; and Thursday Level 3 Court House.

Claire Pelc gave a treasurer's report—working balance of \$1,219.41. Claire is looking into the matter of Court House and their forfeitures to see if any teams are out court costs and if so, will be compensated through the Performance Bond. Any teams that did not pay ranking fees for all their team members - - the fees will be taken out of your performance bond.

BANQUET: Will be at Mt. Clemens, Saturday April 29, 1989 from 8 pm·til Midnight! Beer, pizza, salad, and pop will be provided for \$10.00 per person. Any and all guests are welcome (NO CHILDREN PLEASE). There will be courts available for challenge for all levels and doubles. Money is due at the next meeting on April 4, 1989 at 7 pm at Gateway. Each team will be required to bring a door prize for raffel. Alida will take care of trophies again this year. Pat Klann will make all arrangements. If you want to help will the challenge courts, call her — 759-5364.

As is customary, it was voted on and passed that this year's officers and recording secretaries cost of the banquet will be paid by the treasury.

What do you do when you are playing in a tournament and your opponent keeps stepping over the short line on the serve? What do you do if your opponent keeps cutting off your lob serve on the fly in the safety zone and the referee won't call anything? What do you do when you're playing in a regional or national tournament and the person behind the desk says there is only one minute between the first and second games and the tie breaker?

BOARD MEETING MINUTES

January 30, 1989—Davison Racquet Club Call to order by President Tom Blakeslee at 7:00 p.m.

MEMBERS PRESENT: Iom Blakeslee, Jim & Dianne Easterling, Jim Hiser, Rick Hall, Duane Russell Administrator: Lou Ellen Fecher

REPORT OF THE IREASURER: Statement of cash receipts/disbursements for the months ended on November 30, 1988 & December 31, 1988 was presented by Dianne Easterling. Checkbook balance for the year was \$309.33. Dianne reported the rest of the Juniors had been paid off and that Lou Ellen Fecher was owed 3 bours for duties performed on behalf of the Board.

OTHER ITEMS MENTIONED: Dianne mentioned we had to send a certificate of non-profit status in Michigan to the AARA. Tom Blakeslee had been getting all the labels since December and then has been calling the clubs and sending them Jim Hiser and Dianne Basterling also have been getting some of the labels. Dianne will call and provide information about the tournament directors so the labels can be sent direct to them.

II REPORT OF THE SECRETARY: Minutes had been mailed to IomBlakeslee prior to the meeting and will be provided at a later date

III REPORT OF THE VICE PRESIDENT: Rick Hall indicated he had received many complaints that no body got the TAB MAGAZINE. The information he obtained was they had shut down for a couple of months but the FEBRUARY issue was to be out on time. Rick said he had sold 30 of the \$15.00 slips. Rick also said some of the entry forms were mailed first class and he got some back since the addresses were inaccurated Dianne Easterling said the NEWSLETTER has some of the same problems. Jim Easterling said the Newsletter is updated 4 times a year, but still addresses are a problem. Rick also mentioned two AARA cards had been renewed with the wrong renewal date. They had been paid early so they lost 3 months. Perhaps the best way to handle this is to make a photo copy and not renew until your membership expires. Rick said the Grand Rapids Tournament was a good one and went well. Floyd won the PRO and beat Mike Anderson. Gary Hall won the open. He said that 24 new members were obtained from the tournament.

IV REPORT OF IHE PRESIDENI: The Junior Scholarship monies have been paid to Jimmy Floyd and Nick Rallis. An article on them will be placed in the Newsletter and sent to the AARA Magazine as well. We would also like to include photographs as well if they can be obtained from the recipients.

STATE DOUBLES: Will be held at Grand Blanc Club

STATE SINGLES: Undecided

SPONSORS: No reply from Tom Brownlee as of yet

BALLS: Pen desires to be contracted. Tom Blakeslee will get with them and see about an offer

GRIPS: Jim Easterling reported that AME grips are out of business. Ektelon bought them out. Tacky Mat might provide these if not in conflict with Ektelon. Tom Blakeslee desires to get racquethall tourney on PASS for the Regionals. Lou Ellen reported that Grand Blanc desired a contract for the doubles tournament. Tom had sent them a letter. She also said she needed entry forms for the State Doubles. Dianne Easterling said she would mail them to her. The tournament will be scheduled for March 31. (Day's Inn will be the headquarters for rooms: RATES \$29.00 for singles, \$45.00 for doubles). V REPOR TOF DISTRICT#9 DIRECTOR: Jim Easterling reported on the Regional I ournament indicating he had received the shirts and that Mike Anderson would do the Plaques. *Michigan, Ohio, and West Virginia logo is on the shirts. Jim will meet with the Mt. Clemens Club Manager, Steve Turnello. Tom talked about the warm-ups at last year's state tournament. Crew neck/V neck sweaters also were mentioned as another idea. The warm-ups ran around \$30.*35.00... the sweaters could be done for about \$16.00 with embroidery. Rick Hall was to ask Mark Henry of Action Sportswear for some ideas. Whatever we order will require about 265 singles to meet needs.

VIREPORT OF NATIONAL PROGRAM DIRECTOR: I'm Hiser will be moving to Colorado Springs in June of this year to accept a new position as Assistant Executive with the AARA Duane Russell reported that Bill Gotlieb mentioned he did not get a letter of the meeting and was somewhat displeased in the changes of sites without notice. Tom Blakeslee reviewed expenses for AARA In Feb. Racquetball will be voted in as

a group "A sport \$30,000 will be provided for state grants up to a maximum of \$3000. (two ideas would be the most that could be submitted). Jim Easterling said we should try to think of and idea and bring it up at the next board meeting. Jim Hiser said the purpose was to try to improve grass roots development of racquetball N/S/E/W. Pay someone (\$750) a region to meet with and develop a program to assist club owners. This was voted in at the October Board meeting of the AARA. Right now clubs are making 33 to 50 percent of their profits of racquetball with the rest coming form Fitness and Aerobics. Jim mentioned a HANDICAPPED \$100,000 tournament in racquetball. This would cost \$300 to enter and players would be seeded and drawn on a random basis by zip code. This is already in the making and this Regional would be held here in Michigan at the Davison Racquet. Club. Jim Hiser also mentioned there would be 2 year terms for Regional Directors.

TOURNAMENT REPORT: Jim Easterling, We are receiving 90% compliance from sanctioned tournaments. DAC (Detroit Athletic Club) is not one of these. Jim Easterling said he would write a letter in the Newsletter on this subject: "Due Process". (Levels of challenge on a decision are: Tournament Director, Rules Committee: Letter to the National Board and/or State Association. The Ektelon Contract has been renewed for 4 year. Dianne Easterling reported she bad not received and Rebates from AARA in quite awhile. The National Racquetball Magazine has not been doing a good job of the 8 section fold out which could be sent to people not getting the magazines.

PAN AM GAMES in CUBA 1991: It will cost \$100,00 for two r-ball courts. The Olympic Festival will be held in U.S. in non-olympic years in four areas of the country. The racquetball governing body will run it. July 20, 1989 it will be on nationally. July 28-30 will run 3 days in Oklahoma City. Pro's cannot play if they have accepted monies within 3 years. This can be avoided by IRUST arrangements. They will be looking for referees for the O City Tournament. The National Junior competitions will be held in Indianapolis, Indiana.

STATE GAMES: Lou Ellen will check these out We did not have any in 1988. Karen Kunkel was the contact person at Northern Michigan University At that time they had no room for another game sport

1989: TV Racquetball looks like will be sponsored by Ektelon as a promotion. Jim Hiser reported they were trying to get two sponsors nationally. Jim Easterling reported the National Masters he bopes, will not be scheduled on the third week in February after this. It conflicted with our Regional Tournament in Michigan/Ohio and West Virginia. HIGH SCHOOL TOURNAMENT: will be beld on March 10-2 in Indianapolis, Indiana.

NATIONAL RACQUEIBALL HALL OF FAME: One of these will be created which will be similar in format to Michigan's

ROUND ROBIN FORMAT: Duane Russell mentioned it would be desirable for a round-robin format to be used in master's divisions. Lack of numbers had impacted severely upon play and he felt that a format and scoring used at the Golden Master Invitational tournament would be helpful in getting added interest and participation (5 person or less—maybe 8).

NEWSLETTER ARTICLES: Jim Easterling asked for articles for the next issue of RB News. He would like to expand the publication to 12 pages but this might be difficult since it is bard to get articles. 12 pages would cost us more than we currently pay Articles are due on the 30th.

EYEGUARDS: How about a face mask? Would this be considered meeting the lensed eyewear requirement? Industrial strength? A discussion ensured and no conclusion was reached.

NON-PROFII POSI: This status is helpful. It would cost 8 4 cents versus the 16.7 cents which we now pay for mailing. We should include this is an AARA event which is sanctioned by us to meet requirements. Jun Easterling mentioned he would not be able to continue the newsletter oext year since other activities are getting in the way Perhaps Lou Ellen Pecher would be able to bring one person to the next meeting as a means of generating some new talent in the Board and decision making process.

SUPER 7: Lou Ellen will be taking these over. Chris Cole, Stu Hastings, Mike Anderson will also be working on these and dates should be out for the schedule within a month. Like to have one in November.

Meeting adjourned at 8:50 P M
