## CACA Takes Pepsi Cup

*By John Foust*

It took 14 years to climb the mountain, but the Colorado Athletic Club/Aurora racquetball team finally reached the top. They defeated arch rival, and perennial champion, Lakewood Athletic Club to win the 1999 Pepsi Cup/Colorado Team Racquetball Championships and claim the right to display the Pepsi Cup over the next year. It wasn't easy and after numerous close second place finishes, well deserved.

If you look at the final standings alone, you'd get the impression it was a blow out. Looks can be deceiving. According to Marianne Alonzi, LAC team captain, this was overall the most competitive Pepsi Cup ever. Having unknown players on new teams made things pretty interesting. This year the Beck Recreation Center, North Jeffco, and the Denver Metro YMCA fielded teams. North Jeffco made an exceptionally strong showing, especially based on the size of their team. The Beck Center took out some of the bigger clubs by having Antoinette Bell claim the Women's B title. The overall championship was still in question late Saturday afternoon. At that time the CACA team looked to have a distinct advantage by having players in the finals of eight divisions. They were rolling in to Sunday with a lot of confidence. LAC, Lynmar, and the Beck Center pulled off some Sunday morning heroics but it wasn't enough as the CACA ended up winning with a team score of 353, 86 points over second place LAC with 267, and Lynmar with 240.

## A major THANK YOU...

*By Deb Beaudry*

To all the players who participated in the Third Annual Cinco de Mayo Racquetball Tournament held at the Pueblo Athletic Club from May 7-9. Our tournament would never enjoy such success and fun without the talented efforts of Buck Wimer and Dan Beaudry, who ran a flawless week-end while still managing to play and ref quite a few matches! What studs!! Also BIG praise to Jorge Ayala (Jorge's Restaurant) who catered on Sunday by bringing his commercial grill and setting up outside to make fresh fajitas for everyone (spectators too)! Tim Watkins and his father, from Willie's Pit Barbecue, catered on Saturday with southern home cookin and hospitality! He also graciously provided for the spectators! Many participants confessed to entering the tournament for the food and hospitality, and the competition was just a bonus! Tim and Jorge also played in the tournament!! Tim and his open doubles partner, Dan Beaudry, barely squeaked past the mega-talented duo of Mike Johnston and Willie Tilton to win the Mens Open Doubles.

*Jurgen Denk and Scott Lewis reeciving the prestigious John Mooney Award*

*A major Thank You continued from page 1...*

It was a pleasure to welcome Sue Montes back to the game as she and Pochi holdefer teamed together to win the Womens Open Doubles title. Other highlights included: our very special Columbine-boy, Brandon Burgess, winning Mens A; Chris Coy (a 12-year old junior all the way from Oklahoma City, OK) who won Mens C and Boys 12 & Under; homeboys Ken Bartmess and Gene Carlson who won Mens C Doubles; Barb Alexander who won Womens Open Singles (against Pochi Holdefer, a total class act, who was thought to be unbeatable!); homeboy Randy Perko winning Mens D; and Charlie George and Carl Franklin outlasting awesome competition in Mens A Doubles to win it all!!

Thanks to all who traveled great distances to be part of our tournament!! The Dominiaks also came from Oklahoma. Worth mentioning is the long commute the Herrera's continue to make from Grand Junction to be part of all the racquetball functions. Thanks Jerry!! Other thanks include Roger Day Davies for his assistance and suport (including the many matches he reffed), all the juniors for their participation and very classy behavior during the week-end (the ping pong table was a big help), all the participants for their very exemplary on- and off-court conduct (not ONE bad sport was spotted – yeah!), the 25 participants from Pueblo Athletic Club, and all the mothers who endured their once-a-year Mother's Day participating in, or spectating matches!! Saints, all of you!!!!

Thank you to our additional sponsors: Barb Wojdyla at the Pueblo Motor Inn, Norwest Bank, Consolidated Electric, E-Force (who sent us a generous box of donations including gloves, head bands, t-shirts, and a racquet), Larry at the Trophy Shop, Larry Daub with Propenn, and Dominoes Pizza.

Lastly, thank you to Cindy and Scott Lewis who eat, sleep, drink racquetball and are tireless in their efforts to support the juniors. They also take my phone calls day or night when I have panic attacks about the tournament.

Already looking forward to next year!!!!

# Colorado Racquetball Association (CRA) Election

June 7th 1999 the nomination requests were sent out to all members of the CRA. Through this process we have received nominees for new members to the board and confirmation or rejection of the current board members. There were a lot of people who sent their forms to us with response to the current members. Because we are in need of 3 new members we were in hopes of having a large pool of people to offer as candidates for election. While we did not receive a lot of nominee's, we did receive names of people who are well known and respected in the CRA racquetball community.

Below you will find the names of people who were nominated for election to the board. Your task as a member of the CRA is to vote for the persons you feel would do the best in representing your sport. As mentioned previously, we need 3 new members so please put an "X" in the boxes of the (up to) 3 persons you choose. You cannot vote for one person more than once and must only choose the maximum of 3 people.

To make the ballot fair no ballot will be accepted without your name and membership number. You will find your membership number in the top right corner of the label on this edition of the rollout. The other location of your membership number is on your CRA/USRA membership card.

**CACA Takes Pepsi Cup** *continued from first page...*

CACA player Rob French was the big winner in the Men's Open defeating Brian Pointelin of the DAC, 6 and 3, in a match much more competitive than the score would indicate. Donna Beldring extended much less energy in accepting a forfeit from team mate Marcia Richards in the Women's Open final. With both players being from the LAC, there was no reason for the match to be played as only one of them would receive points for winning. In addition, both still had crucial doubles matches to play.

The Pepsi Cup served as a fundraiser for the Colorado Easter Seals, raising $450 through the silent auction and book sale. Thank you to Cindy Lewis for coordinating that aspect. Many thanks to all our sponsors who, of course, included: Pepsi; Caldonia's Roadside BBQ; Ektelon; New York Bagels; Hooters; D&D Tire & Automotive; and, Penn Racquet Sports. As usual, many members of the CACA team not only played, but also worked the tournament. Many times, matches were not only on time, but ahead of schedule. Their hard work and dedication cannot be overlooked.

On a special note: after his many years with Pepsi, Lewis Hutchinson "Hutch", is retiring. Hutch, along with another Pepsi counterpart and John Foust were the originators of the Pepsi Cup. They worked out the format and the scoring system. The tournament has evolved throughout the years — but without Hutch's suppport and cooperation, it would not be where it is today. He has been a silent, but great supporter of racquetball since the late 70's, a wonderful person to work with — a true gentleman and a first class individual. We will miss him
