# 1991 State Open and Age Group Championship Set

The CRA/AARA State Championships are just around the corner with final details being hammered out as we go to press. A major change from last year is the fact the OPEN SINGLES and AGE GROUP tournaments have returned to the old format of having separate events for both groups. The decision to return to this old format was based on the ability of players to better focus on their respective divisions and to allow a more suitable, and visible, format for juniors.

The OPEN CHAMPIONSHIP is set for March 14-17 at the Lakewood Athletic club. This is a different date than what was published on the pocket size calendars at the first of the season. And, for the first time ever, there will be a non-championship doubles category offered for those who want to play two divisions. A player may only compete in one singles event.

April 11-14 is the date for the AGE GROUP tournament at the Denver Sporting Club. The Age Group event offers both junior, boy's and girl's, divisions as well as adult divisions. Divisions will be offered starting at 8 and under, up to 75+. Players may play two events provided they play up from their regular division in the juniors, and down from their regular division in the adult.

Both Diane Adams and Steve Neilsen are expected to defend their titles in the open division and should be favored to repeat if they can maintain that high standard of play. Both players should be on the lookout for some formidable opponents - primarily in the likes of Shad Thayer, Tony Boscia, and perhaps, Dave Peck in the men's side. While Diane has to hold off Jo Ann Slater and, maybe last year's runner-up, Mirjam Weilhessen. Time will tell if the outcome is the same.

## Intercollegiate Update

***CO University Set for 1991 Season***

The University of Colorado, under the direction of coach Ken Autaubo, has been practicing over the past few months in preparation for the season opener against the Air Force Academy, coached by John Abbot, on January 25th. The C.U. Team is comprised of over 30 players and is looking to improve its stature in the world of Intercollegiate racquetball teams.

Members of the team will be competing on a regular basis in Denver/Boulder CRA sanctioned events including the upcoming CRA/AARA State Championships. On April 3rd the top players will travel to Phoenix, AZ for the ACRA National Championships. This is particularly exciting since the event will be televised for the first time.

The C.U. Team is currently raising it's own funds for travel to and from events. If you are willing to donate, or would like additional info in regards to how the team operates, please contact Coach Ken Autaubo at 666-8947. Best of luck to all the state intercollegiate teams.

# Welcome to the 1990/91 Racquetball Season!

*A message from our State Director, Jo Ann Slater*

Welcome! As incoming President of the Colorado Racquetball Association, I want to first and foremost say thank you for the vote of confidence you have given me to serve you in this capacity. I am looking forward to meeting you and working WITH you in the upcoming season. It's going to be a great year!

You have a dedicated Board of Directors working for you this year: John, Doug, Marianne, Brent, Stacy, Darlene and myself are all working together and moving in a very positive direction towards making the C.R.A. an outstanding organization for you to be a part of.

You know as President I am supposed to make those executive decisions that all Presidents are supposed to make, and write those letters that all Presidents are supposed to write, etc...etc...BUT...what I want to do as President of YOUR association is open the door of the C.R.A. to you. After all it is YOUR association!

It will take four things to achieve this: ORGANIZATION, COMMUNICATION, DEDICATION, and PATIENCE.

As the C.R.A. Board of Directors we need to be extremely organized as an association. We need to know what's going on in every aspect of the sport of racquetball whether it be tournament results, memberships, ratings, or to answer a simple question. We as a board are working in that direction.

In doing this we need to communicate with each other as well as you the members. We need to know your opinions, your objections, and your willingness to help. We want your input. We want your suggestions. Please feel free to communicate with us. We will have an open-door policy!

We need to be dedicated to promoting and supporting our sport of racquetball. We all win when we do this.

The last, but probably the most important...PATIENCE. Forget the past and be patient with us over the next year. We will try to be sensitive to the needs of each and every one of you as members of the C.R.A. We will learn by our mistakes and grow together as an organization.

Things will not change automatically, it will take effort and committment by myself, the board, and you as members to get this organization going strong. You have my promise that I will do everything in my power to grow and prosper in the upcoming year.

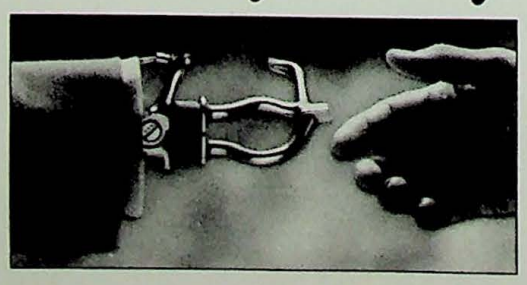
Good luck during the season, and please feel free to call or write...the door will be open. Now get that ol' racquet out of the closet and GET ON THAT COURT!!! I will see you there!

## Donations for U.S. National Team

As the current World Champions the U.S. National Racquetball Team has been highly effective in publicizing our sport to the general population. Their success has led to support within the Olympic family and the hope we can attain demonstration sport status in the 1992 Olympics. These efforts cost more money than current revenue sources are able to cover.

A.A.R.A. National Board policy prohibits using general funds the U.S. National Team. All general funds go towards grassroots development of racquetball. Donations would be welcome! You can make an important contribution to racquetball's development and assure that the United States will remain number one. Please send your tax deductible contribution to: A.A.R.A., U.S. Team Donation, 815 N. Weber, Colorado Springs, CO 80903. Any amount will help greatly.

Sometimes the worst thing about having a disability is that people meet it before they meet you.



Remember, a person with a disability is a person first. Awareness is the first step towards change.

## Proceeds of Point Challenge Raffle to Benefit Olympic Drive

The upcoming Point Challenge Tournament, under the direction of European Racquetball Federation President Jurgen Denk, will feature a giant raffle with proceeds to benefit the AARA and International Racquetball Federation's efforts to make racquetball a part of the 1996 Olympics in Atlanta, Georgia. The Grand Prize in the raffle is a refurbished, maroon, Honda Accord. In total approximately $5,000 in goods and services will be raffled away.

Tickets for the raffle will be made available at the Aurora City Open, in addition to the Point Challenge Tournament itself. Tickets may also be purchased from CRA officers and board members. The Honda Accord will be on display at the Aurora City Open, at the IAC in Aurora, and at the Point Athletic Club during the tournament. Tickets are $2.00 per ticket, with 6 tickets going for $10.00. Participants need not be present to win, just make sure your name and phone number are on the back of the ticket. Winners will be listed in the next edition of ***ROLLOUT***. CRA officers and board members will be **ineligible** to win the grand prize.

Please support our drive to make Racquetball an Olympic event.

## JUNIOR RACQUETBALL CORNER

# World Junior Orange Bowl Champions Named

*Miami, Florida:*

The International Racquetball Federation named the 1990 World Orange Bowl Champions in Miami, Florida over the Christmas holiday, following three days of singles and doubles competition among youngsters from around the world.

The U.S. swept each of the twelve age divisions with gold-medal wins, including the most competitive 18 and under singles bracket. Doug Eagle of Raleigh, North Carolina defeated 1990 U.S. National High School and Junior Olympic champion Joel Bonnett of Grand Rapids, Michigan for the title in boys 18 and under, while Heather Dunn of Beverly Farms, Massachusetts defeated Lori Powell for the gold in the girls 18 and under.

Ranging in age from 8 to 18, finalists in each of the divisions displayed outstanding athletic ability as well as the promise of continued success in the 1991 national championship season. Following a regional qualifying series, many of the players from this event will travel to Burnsville, Minnesota to compete in the 1991 Junior Olympic Racquetball Championships in June.

**SINGLES RESULTS:**
B18-:
Doug Eagle def. Joel Bonnett
B16-:
Alan Engel def. James Mulcock
B14-:
Paul Apilado def. Chris George
B12-:
Eric Storey def. Mark Hurst

# Membership Dues... Look at the Benefits!

With the increase of the CRA/AARA dues beginning January 1, most of us are asking, "What does my membership do for me anyway?"

Here is a detailed description of benefits of membership in the CRA/AARA. Take a moment and read it ALL - we really get a lot for our money.

**1. Insurance Coverage:** This is a new benefit to be added January 1, 1991. "Membership" has been changed to a "Competitive License". Each player possessing a "Competitive License" will be covered by accident & liability insurance when entered in a CRA/AARA sanctioned tournament.
**$10,000** accidental death & dismemberment (including direct travel to & from the tournament.)
**$25,000** medical coverage - Insurance secondary to any other insurance carried. If no other insurance is carried, this coverage becomes primary with a $250 deductible requirement.
**$1,000,000** liability umbrella policy - a "licensed" player's protection against a lawsuit directly related to an incident at a sanctioned tournament.
**$1,000,000** liability policy to each host facility holding a properly conducted sanctioned CRA/AARA tournament.

**2. "Racquetball USA" Magazine**: Six issues per year of the "Racquetball USA" Magazine will be delivered to each member's home. This AARA publication is designed for the entire racquetball community. It contains news on international, national, regional, state and local events. It features racquetball players' profiles, fitness training and tips on prevention and treatment of sports injuries. It highlights rules and refereeing issues and contains advertising of racquetball products.

In addition, members receive "ROLLOUT" published by the CRA focusing on local, state and regional events.

**3. Hertz Rent-A-Car:** Members are entitled to a discount if they use the AARA ID card when making reservations & present their card upon pick-up. This card is sent to all members. It is in the packet each member receives when they initially join or renew. The AARA ID# is 21779. It may be used in the USA, Canada or internationally. Details are available from Hertz or the AARA.

**4. Arpin Van Lines:** A 30% "bottom line" discount of scheduled tariff rates is provide ed members. The discount applies to the transportation services only. Other available services are not subject to the discount. Phone 1-800-323-1489 for details. (While this benefit may not apply to everyone, for anyone who can use this service, the savings are significant.)

**5. Days Inn Sports Plus Club:** CRA/AARA members may apply for a FREE membership in the "Days Inn Sports Plus Club". This allows an individual traveler to save 10-25% on regular room rates, free local phone calls and rental car/van discounts. Call 1-800-344-3636.

**6. John Hancock Insurance Program:** This is a "cash-back" accident plan. It guarantees comprehensive financial protection against accidents & a complete refund of your premium dollars if not used (meeting specified requirements of continuous payments.) For details about this plan call 1-800-527-4620 and ask for information on policy #26728.

**7. Special VISA Card Program:** Maryland Bank NA has offered AARA members a "Racquetball" Classic Visa card with a credit line up to $5,000. Qualifying members receive the 1st year free ($20 thereafter). CRA donates .5% of each purchase amount to the AARA. For application call 1-800-847-7378.

**8. United Airlines:** UA, a U.S. Olympic sponsor extends a 5% discount off the lowest available UA fare. The flights must be to an event registered under the AARA code (i.e., National, Regional, sanctioned tournaments or council meetings.) For inquiries on available flights, call 1-800-521-4041/reference AARA.

**9. US Amateur, Inc.:** This organization offers its members discounts on travel, hotels, rental cars & sporting goods. The usual $49.95 fee is reduced to $24.95 for CRA/AARA members. Their catalog offers 50-70% discounts on 100 topline sporting goods items. Also car rental discounts: Alamo $16.97/day unlimited mileage, National 20% off daily rates, Hotel discounts: Clarion 30%, Quality & Comfort Inns 25%, Airline: Delta, Northwest, Piedmont "extra" discount off all discount fares for sports-related travel. For information call 1-800-USA-1992.

**10. Player Ranking System:** The AARA maintains a cumulative ranking of all players across the nation. This information is

*continued on next page...*

*Membership continued...*

used to help determine seeding for national and regional events when players who may never have played in the same tournament will be competing against one another. It is also available to state associations to assist tournament directors. Minnesota players have received better positions in national tournaments based on points earned in local sanctioned events.

**11. AARA Programs:** The promotion of racquetball in a variety of aspects, from national and international competition and the National Team, to grassroots development in junior, high school, collegiate, out-reach, wheelchair & disabled, women, senior & masters programs has been the primary goal of the AARA. These programs touch every player directly or indirectly by the growth of the sport of racquetball.

**EDITORS NOTE:**
Of the $15 for the "Competitive License", $6 goes to the CRA to support the state's programs, approximately $6 goes to the AARA, and the remaining approximate $3 provides the insurance coverage. (As a class "A" sport, the US Olympic Committee requires sport associations governing bodies to supply insurance coverage for its members as a responsible protection of its athletes.)

## A.A.R.A. Insurance Update

As most of you are aware effective January 1, 1991 the new A.A.R.A. insurance program will have been put in effect. Any player who has joined the AARA/CRA at the 1990/91 $15.00 dues rate, now known as a "competitive license" member, is covered by the insurance. Any player who sends a $5.00 check (or $5.00 per year remaining on their multi-year membership) will also be covered by the insurance if they have a current membership at the $10.00 dues rate. If a player has a valid membership at the $10.00 dues rate and does not add the insurance they will be permitted to play in sanctioned events but will not be covered by the insurance program. Please remember that this insurance is secondary coverage for sanctioned events only including travel directly to and from the event.

Claim forms should be requested from John Mooney: A.A.R.A., 815 N. Weber St., Colorado Springs, Colorado, 80903. Questions about the insurance program should also be directed to John at (719) 635-5396.

## RACQUETBALL DIRECTOR'S CORNER

Upon the acceptance of any entry form make sure the waiver clause has been signed. If it has not been signed make sure the player does so upon check in at the tournament desk. The waiver acknowledges the player understands the inherent risk of competing in a racquetball tournament. It does not however release the club from any aspect of gross negligence such as slippery floors, or poorly maintained locker rooms.

It's never to early to start forming your team for the SIXTH ANNUAL PEPSI CUP/COLORADO TEAM RACQUETBALL CHAMPIONSHIPS. Lakewood Athletic Club is the defending champion having ousted the Denver Sporting Club for the first time in four years. Details on the PEPSI CUP will be arriving in April.

When preparing your tournament draw remember the importance of proper seeding. Improper seeding can offset any hard work you may have done to make your tournament a success. Contact the Colorado Racquetball Association for information pertaining to results of recent tournaments or ask for a current CRA/AARA player ranking list.

One way to keep tournament entry fees down - offer the souvenir as an option. While the souvenir may still be important to the lower class player (and in most cases it is), the more experienced player may have all the shirts and trinkets he/she may need.

## New U.S. Team Coaching Staff Announced

Jim Winterton of Syracuse, New York has been named the new U.S. National Team coach by the AARA Board of Directors. An eighth grade English teacher at N. Syracuse Central Schools and the director of racquetball instruction at the Sun-down Fitness Club, Winterton has 22 years of coaching and playing experience and is excited about the opportunity to work with the U.S. Team.

"I'd like to continue the great success enjoyed by the U.S. Team under previous coach Larry Liles and his staff. I have the utmost respect for the great job they have done and hop add to that record." In the long-term Winterton plans to work closely with the AARA to establish continuity between the newly established Junior Team USA and the adult national team. This would include elite training camps as well as junior excellence programs designed to produce new players for the traveling team. Winterton also plans to break ground on new training methods and the latest research in establishing norms for testing elite racquetball athletes.

To aid Winterton in these tasks, Fran Davis of Middlesex, New Jersey has been selected as Assistant Coach of the U.S. Team, and brings 14 years of playing, coaching and teaching expertise to the pared-down staff. Davis is also the east coast director of the Professional Association of Racquetball Instructors (PARI) and a national champion in her own right. Formerly one of five U.S. Team coaches that led the team to its current World Champion status, Davis hopes to incorporate proven techniques with Winterton's new strategies to bring even greater success to the team in the 90's.

Also named to the U.S. Team coaching Staff was Mary Lyons of Jacksonville, Florida, who will become the Team Manager, and Mike Arnolt of Indianapolis, Indiana, who will serve as Team Leader. The two administrative positions support the U.S. Team by providing technical and travel services during special events and international competition.

## LOCKER ROOM TALK

☛ Penn Athletic Products is changing their overall image. They are now going by Penn Racquet Sports.

☛ Former CRA State Director Paul Swoboda announced his retirement from the Boulder Parks and Recreation. Paul was a mainstay in Colorado racquetball for many years and was very instrumental in keeping the ball rolling when John Mooney left as CRA Director to take over the Point Athletic club. His organizational skills and good humor set a solid foundation for the C.R.A. to grow from. His retirement bash was January 19, at the Flatirons Country Club. I'm sure the city of Boulder will miss him even more than the C.R.A. did.

☛ November 1, 1990 was a very special day for Larry Daub, the area Penn Representative, and Vicki Hayden. It was on that Thursday that Larry and Vicki joined themselves in marriage. Hopefully there will be many anniversaries to come in the future.

☛ Jim Turner, former kicker for the Denver Broncos, or better known to most of us as a decent racquetball player (actually a former state champion), has signed on as an official commentator for the 1991 AARA National Championship television broadcasts. Congratulations to Jim and a reminder to keep plugging Colorado racquetball.

## Men & Women's Round-up's Scheduled for AAC & LAC

The Aurora Athletic club, 2943 south Peoria, is hosting a series of Men's Open/A Round-up's on the following dates.

February 23, Saturday at 9:00 a.m.
March 13, Wednesday at 6:00 p.m.
April 3, Wednesday at 6:00 p.m.

The round-up is played on a handicap system with first round losers having the ability to play the second place finisher on the winning side for the overall second place finish. Cost to players is $5.00. Money is pooled into a kitty with a 70/30 split to first and second. $10.00 of the pool will be used to cover the cost of refreshments.

Due to limited court availability and the popularity of the event the round-up is limited to the first 20 players who reserve spots. To reserve your place, contact Steve Blackwood at 375-9330 or Cindy Miller at the AAC, 750-3210.

The Lakewood Athletic club has organized a Ladies Racquetball Round-up to be played every Friday whenever there is not a sanctioned tournament in the Denver/Boulder metro area. The round-up is open to all levels of players and at no cost. To participate, call 989-5545 before 2:30 p.m. on Friday to sign up. To ensure a proper attitude each round-up will be followed by a "happy hour" in the L.A.C. lounge.

For more information contact Marianne Alonzi at the L.A.C.
REMEMBER - call on Friday to sign up and confirm that the round-up will be held that night.
