VOL 10

NO 1

1988 LRA Doubles Championship

March 18-20 Kenner YMCA, New Orleans

Come See The Best

Hey Sports Fans, I Love Ya!

I hope your Mardi Gras was a fun and safe one. We couldn't have asked for a more beautiful day to go out and have a good time. Speaking of good times, our upcoming tournament schedule is falling right into place. However there are some changes. Look for the State Doubles Warm-Up tournament in New Orleans March 5-7, to be held at the Y.M.C.A. instead of

RBO and the April 15-17, (Rivercity) Tournament has been cancelled. Remember these warm-up events are no frill affairs so entry fees are low. This affords everyone the opportunity to get ready for the State Doubles held at the Kenner YMCA March 18-20.

Along with immediate changes in our calendar, look for some positive changes in the future. We are working hard to get the 1989 Regional Tournament here in Louisiana. Our region (#7) consists of Texas and Louisiana. Apparently the AARA seems to think that between two states there are enough players to give a representative showing at the National Tournament, and guess what? We Do. For many years we had to travel to San Antonio to play in the Regionals because Louisiana had no affiliation with the AARA. Now, things are different. We will now be able to alternate hosting this major tournament with the good ole boys from Texas. It's a great opportunity to share and expose ourselves to more competition from other sources, namely Texas.

Prior to the National Tournament (held in May) the Regional Tournament is held in April. This means that

Eyeguards

Well, how do you like your new pair of eyeguards? I love mine. It seems that everyone is smart enough to realize that this mandatory eyeguard rule is a good one. Thanks for your cooperation, Good Job.

Please realize that if you go play outside the state in a regional or national tournament your eyeguards must have lenses. Our modification is only valid in Louisiana. So be thinking about changing to lensed eye guards. Probable next year we will look to follow the AARA rule on lensed eyeguards.

I'm pleased to tell you that at least two different eyes have been saved from injury since January.

Just ask Faye Spradley the next time you see her.

we should consider changing our Tournament Calendar Year to be in sync with the national tournament calendar year. We simply adjust our schedule to play our Singles Championships in March. Our players will accumulate points during the year which will help to get better seeded positions in the Regional Tournament on the way to the National Tournament in Houston, Texas. All these changes are for consideration by you, so call me, talk to me and talk to each other, let me know what you think.

With all this talk about Regional and National Competition, you might ask, how does it affect me? Well it really does affect you. Whether your a "D" or "Open" player, you are just as good in your division as anyone else in the country. Why not go after the "Big Ones" and be part of the greater scheme of things on a national level. Why not? The motivation behind training for the State Singles is one thing but use that to get ready for the Regionals and then the Nationals. Now that's motivation. So what are you waiting for? Start training and practicing now.

Good luck and good shooting

Paul Bruno

Team up with

HEAD & FRAN

Tips from Fran Davis

The LRA and Wallbanger Thank Fran Davis for an exciting clinic March 1st.
