2001 Florida State Doubles Championship

The 2001 Florida State Doubles was held August 17 to 19th at the **Orlando Racquet and Fitness Club**. With 250 entrants, this was one of the largest Florida tournaments in quite some time. The largest draw was in Mens Open, with 20 teams/40 players. There were also unusually large draws in all Mens Open Age divisions. Another surprise was renewed interest in mixed doubles. Mixed Open and Mixed B drew 13 teams each, and there were separate draws for Mixed A and Mixed C. Ten Mixed Age teams competed in two divisions.

This tournament marked the return to sanctioned competition for **James Lorello**, who paired up with **Tim Hansen** to present a formidable obstacle to other hopefuls, including last years winning team of **Aaron Metcalf** and **Ross Greenberg**. Also returning were young guns **Matt McElhiney** and **Mike Harmon**, who were eliminated in the semi-final round in 2000. Harmon made things interesting with some pre-tournament email taunting. Another returning 2000 semi-finalist team was **Armando Alonso** and **Chris Smith**. Other returning teams included **Glenn Warren/Curtis Winter**, **Gordon Kirkland/Scot Consoli**, and **Charlie Nichols/John Schneider**. **Nick Xynidis/Jimmy Fanning** and **Jon Xynidis/Pat Fanning** made things confusing for the tournament desk with two Xynidis/Fanning entries in the draw. *Continued on page 9.*

Florida Challenge

Are you ready to try a new and different tournament format? Well we have one! The new **Florida Challenge Series** will be a series of one day tournaments that will have two divisional formats. Each format will have the same divisions for Men and Women. **The Skill Challenge** will have B, C and D divisions. **The Open Challenge** will have Open, Elite and A divisions. *For more information on this new and exciting event, turn to page 11.

2001 JUNIOR WORLD

Orlando Fitness & Racquet Club named to host the 13th Annual Junior World Racquetball Championships. Following a six year run on the west coast the International Racquetball Federation and the USRA has announced that the 2001 Jr. World Championships will be coming back to the east coast. Several hundred players from all over the United States as well as dozens of other countries will converge on Orlando from December 16th through the 20th to compete in one of the most exciting racquetball events of the year. For information contact the USRA at 719-635-5396.

Did you know... People who exercise regularly are 50% more likely to quit smoking; 40% more likely to eat less red meat; 30% more likely to cut down on caffeine; 250% more likely to eat low calorie foods & drinks; 200% more likely to lose weight; 25% more likely to cut down on salt & sugar than non-exercisers. Racquetball is good for your mind AND your spirit.

Florida players will be treated to a feast of "Young Guns" in December as the **Junior World Championships** comes to Orlando. In the 12 years of its existence this event has featured all of the up-coming

The opening of the **Atlantic Beach Athletic Club** in Jacksonville means that a city which was once known for hosting BIG racquetball events finally has at least one Racquetball Club again! Jacksonville's hundreds of players had resorted to "sneaking" into apartment complexes and playing on outdoor 3-wall courts or simply not playing at all when all 3 of the city's racquet clubs closed over 2 years ago. The players of Jacksonville are very grateful and very much relieved to have a great place to play.

*The FRA Currently provides all state rankings, using results provided by tournaments.
 *FRA rankings reflect only points accumulated in indoor 4 wall events.
 *Once a player reaches the "cut off" limit in a skill division, that player is no longer eligible to compete in that division and MUST move up to the next higher skill level. Players may NOT drop back down to a lower skill level once their ranking points drop below the cut-off limit.

Skill Division Cut Off Limits					
Division	Men	Women	Division	Men	Women
A	250	400	C	150	250
B	200	350	D	100	200

*Players ranked in the top 10 in any skill level may NOT compete in a lower skill level and will NOT be listed in the rankings.
 *Cut off limits apply to skill level and age+skill level divisions.
 *Once a player has won a skill division in a Level 3 event, he/she may NOT compete in that skill division in future Level 1-2-3 events. He/she may compete in the Level 4 event that year but must move up following that event. This rule applies to doubles and also applies even if the player has not reached the designated cut-off limit.

2001 Florida State Doubles Championship

Continued from page 1

The semi-final matches in this draw proved to be some of the most interesting of the tournament. After squeaking by Nichols/Schneider in an 11-10 tiebreaker in the quarterfinal, Harmon/McElhiney got the opportunity to back up the email boasts. They met Hansen and Lorello in front of the biggest crowd of spectators of any match all weekend. The players gave the onlookers the entertaining match they were looking for, and all trash talking was in the spirit of competition. Harmon/McElhiney won 15-12, 15-13.

In the other semi-final, Greenberg/Metcalf outlasted Kirkland/Consoli in an 11-10 tiebreaker. The final match turned out to be somewhat anti-climactic. Greenberg/Metcalf easily won, beating Harmon/McElhiney with scores of 15-7, 15-2.

On the womens side, last years champion **Susan Pfahler** returned with a new partner, **Karen Bouchard**. Also returning were last years runners up, **Lori Lepow** and **Melissa Harmon**. It was good to see some old faces returning to tournament play, with the entry of **Teri Lawrence** and **Dori Zieman**. **Jean Trimble** and **Cari Kresa** rounded out the top seeds. Up and coming teams included **Eve Bentolila** and **Vivian Gomez**, as well as **Bonnie Sanderson** and **Debra Derr**.

The up and comers gave the open veterans all they could handle. Bentolila/Gomez edged Lawrence/Zieman in an 11-8 tiebreaker, then faced Pfahler/Bouchard in the semi-final. Pfahler/Bouchard barely escaped with a 15-14, 15-14 victory. On the other side, Trimble/Kresa managed to overcome Sanderson/Derr in an 11-6 tiebreaker, then faced Lepow/Harmon in the semi-

final round. Trimble and Kresa won that match with scores of 15-12, 15-10. Once again, the final match was less exciting, with Pfahler/Bouchard winning 15-3, 15-8.

On Saturday, sixteen teams competed in a **Father/Son Challenge**. These teams were made up of fathers (or surrogate fathers) with young sons ranging in ages from 6-12. The competition was friendly and there were no losers. All participants received a commemorative photo. The feedback was so positive that we will definitely see more of this type of event in the future. It was not only great to encourage junior participation, but it was also a wonderful father/son bonding experience.

The Saturday night barbecue has become an establishment at Orlando tournaments. This time it was dampened with an evening downpour, but it was still enjoyed and greatly appreciated by the players and their guests. **Don McAllister** and his assistants once again cooked up a feast of ribs, burgers, and hot dogs. **Thanks Again Don!**

The FRA State Doubles is the biggest fundraiser for the Florida Racquetball Association. The Association could not survive on the portion of the USRA membership fee it receives. This tournament provides the resources to pay for operating expenses including the postage, telephone, newsletter and providing much needed liability insurance.

It was great to see this turnout and some revival of the old spirit of fun, which has seemed to be missing from tournaments recently.

Special Thanks to the **Orlando Fitness & Racquet Club** for hosting yet another **GREAT** State Championship event.

Club Profile

By Judd Martin

I would like to announce that there will be a new feature to the FRA Newsletter recognizing facilities that support Racquetball in Florida. In each issue, I will spotlight one racquetball facility; tell you what that club is doing to promote this great sport. We hope that this feature will be a source of new information to you and give you some insight into other Racquetball clubs throughout the state.

Lakeland Family YMCA

The first facility that I will discuss is the Lakeland Family YMCA. It is located in Central Florida between Tampa and Orlando. It has four courts with concrete walls and glass viewing areas. The facility was built over 20 years ago and has hosted many fine tournaments.

The courts are mainly used for open play on Monday and Thursday nights with Wednesday night being League Night. There are also free adult clinics on Tuesday night as well as doubles play on Saturdays around noon.

Junior clinics are also offered on Saturday mornings beginning at 10:30am and a Challenge Court is offered Mondays through Fridays from 5:30pm to 9:00pm.

Being a four court facility it is difficult to accomodate large tournaments however the Lakeland YMCA prides itself on running a quality event leaving players feeling that they participated in a fun and competitive tournament.

If you will be in the area and would like to play, please feel free to contact Judd Martin at (863) 646-6505

*If you would like to have your club featured in an upcoming issue of FRA NEWS, please contact **Judd Martin** at (863) 646-6505 or by e-mail at hyperlink@vacationclub.com

2001 U.S. Junior Olympic Championships

Florida's Junior players travelled west this summer to the Mile High City, Denver, Colorado to take on the best in the country in the HEAD/ Penn 28th U.S. Junior Olympic Championships. The tournament held June 23rd thru 27th is always a showplace for the best of the best.... all the "hot-shots" and "soon-to-be Pro-Tour" players show up to show off and as usual, Team Florida did an excellent job of representing our fine state.

Team Florida - The "Young Guns" from the Sunshine State

Matt McElhiney who is now 18 years old reached the semi-finals of the Boys 18 Singles where he was defeated by the eventual winner Jack Huzcek. That loss is certainly not one to be ashamed of as Jack is not only the current Jr. National Champion, he is also the current Men's Open Singles Champion. Matthew teamed up with Kristen Walsh and finished with a Silver medal in the 18 Mixed Doubles as well. **Clay Burris** captured a Silver medal in Boys 16 & under Doubles (Gold Division) with 15 year old partner **Brad Slocum** as well as making it to the Quarter-finals in the Boys 16 Singles in the Gold Division....very impressive guys! **Harrison Slocum** paired up with ex-Floridian **Jamin Godwin** who now lives in Arkansas and managed an impressive run for the gold. Harrison and Jamin were stopped in a very tough final and managed to bring home Silver medals in the Gold division of the Boys 12 & under doubles.

Also making the long trip out west was the **Hunter family**. **Matthew, Paige** and **Geoffrey** enjoyed playing some different competition - somebody besides each other. Geoffrey kept quite busy during the event competing in three divisions captured the Gold medal in the Boys 12 & under White division and also teamed with younger sister Paige and managed a quarterfinal finish in the Mixed 12 & under. Geoffrey was teamed up with Janzen Allen of Texas and the team

finished in the quarterfinals in the Boys 12 & under doubles. Paige won a Silver medal in the Girls 12 & under White division and also teamed up with Jenifer Fenton (daughter of top Professional Player Laura Fenton) and won the Gold medal in the 12 & under Blue division. Matthew Hunter played both the 8 and 10 & under singles divisions and fared quite well finishing with a Gold medal in the Boys 8 Red division and finishing in the Semi-finals of the Boys 10 Blue division.

Congratulations to all the Team Florida Junior Players and we look forward to seeing you and cheering you on at the Junior World Championships in December in Orlando.

Florida Challenge

Tournaments are designed to be simple to enter, to play in and to run for the players and tournament directors. The entry form on this page has starting times listed next to your division. When you arrive at the club you will play all your matches back to back. We will be playing games to 11 and a tie breaker to 11 if needed. All matches will be self officiated (**bring your best sportsmanship**) with only the tournament director to settle any disputes.

These tournaments will use the Olympic drop down format. Because of this format entries will be limited to the first 16 people to sign up (eight in smaller clubs). From the 16 person draw, the eight winners will move to the right of the draw and the eight losers to the left. Now there are two draws of eight, the four winners in each of those will move to the right (or left in the case of the first round losers) and the losers of the second round will drop down to two more draws of four. You now have four sets of semi-finals, the winners go the finals of their divisions and the losers will play off for 3rd and 4th of that division. So from a draw of 16 everyone will play four matches (a bye will count as a match), one person will win all of his or her matches and one person will lose all four. Everyone else will have some combination of wins and losses. Please see the draw sheet that has been inserted in this newsletter for further explanation. Participants will receive a tournament shirt and a commemorative certificate

showing order of finish, 1st through 16th place, for their division. This is a bare bones, one day sanctioned tournament with everyone getting in three or four back to back matches. You will be in and out of the club in about three hours instead of spending the whole weekend. The first of these tournaments will be held at the **Orlando Fitness and Racquet Club on November 3rd**, starting at 8:00 AM. We hope to fill all six draws to the maximum of 16 per draw. Please see the entry form included on this page.

For more information about this tournament or if you would like to host a Florida Challenge Series at your club please contact Guy Meadows at guyrmead@msn.com or call me at 352-429-9142.

I look forward to seeing you all at the November 3rd tournament and we hope to announce the first Open Challenge soon!
