HELP WANTED:

Junior Players Needed! ! ! !

The junior racquetball program in Louisiana is growing, but we need the clubs and our members to support it.

A survey is currently going out to all of the clubs in order to find what is needed to start a juniors program or strengthen an existing one.

A state juniors tournament was scheduled for March, but had to be canceled because of a lack of entries. We attributed the shortage of entries to conflicts with school. We feel another tournament should be scheduled for summer to assure no conflicts.

The 1993 racquetball season was the first year Louisiana had a state junior team. Very little was accomplished because of poor organization. This year's team, which consists of David Anastasio, Davina Bloom, Mark Bloom, Nick Laird, and Jareth Roseman, has some specific

goals in mind such as promoting racquetball at the club level with clinics and tournaments.

Our junior team is well on its way to achieving its second goal which is to represent Louisiana in major tournament competition. At the Junior Olympic Regional Tournament, April 22 - 24, in Lufkin, Texas, our juniors made a very good show: Mark Bloom - 1st place; 18 and under & 16 and under. Davina Bloom - 3rd place; Boys 14 and under. David Anastasio - Consolation; 16 and under. Nick Laird - 1st place; 12 and under. Jareth Roseman represented Louisiana proudly in Boys' 10 and under by capturing 4th place.

The 1994 Ektelon/AARA Junior Olympics, June 25 - 29, in Chattanooga, TN, is the next challenge for our junior team. The LRA wishes them luck, and wants them to know how proud we are of their achievements.

For any information on the LRA's junior programs, or if you would like to offer any support, please call me at 845-2639.

GENE FERRIS

SPOTLIGHT

BO KNOWS RACQUETBALL

He's not Bo Jackson, he doesn't play professional football or baseball, he doesn't do Nike commercials; in fact he wears Converse Chuck Taylor All-Stars. He's Bo Champagne and he definitely knows racquetball!

Champagne, a former handball player, started playing racquetball when his brother made some paddles out of plywood. Later on, he saw some people with sawed-off tennis racquets. Champagne copied the idea and became a racquetball player.

Some people are good at playing racquetball, and some are good at teaching it, Champagne is great at both. He has done it all: taught and trained Marcy Greer, who at one time was second on the pro-tour; he taught and trained a six year old who is now ranked second nationally in Boys 10 & under.

Louisiana native, Bill Perodi, the Open Champion at the 1994 Metro-Regional Qualifying Tournament, is also a former student of Champagne. Champagne has also had many accomplishments as a player. He has held a state championship title in six states and is definitely a legend in Louisiana.

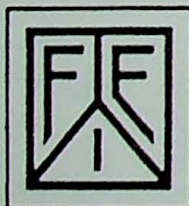

Besides being a great teacher and player, Champagne has a great philosophy about the game: just do it! Just get on the court, play a lot, and have fun.

Champagne still plays at Calloway's and sometimes at LSU. He is always looking for a game and is willing to get on the court with anyone.

So if you are looking for a good game or want to know anything about the game, just ask Bo. **BO KNOWS RACQUETBALL.**

LETTER FROM THE PRESIDENT

Though falling off the last two years with the reorganization of the LRA, racquetball is really on the move, once again, in Louisiana. Our current membership is up to 300, which ranks us about 23rd in the nation. Your present board members have put forth their best efforts by keeping a current calendar and membership updated locally and nationally. More clubs are, or will be, hosting new tournaments including two new clubs--Louisiana Sports and Fitness in Baton Rouge and the LSU Student Recreational Center. Foxy's Health Club in Baton Rouge, an old face, is once again getting involved in tournament play. Pattie Schof, scheduling chairperson, is doing an excellent job. If your club needs an open date for a tournament, call Pattie at (504) 468-2813.

Our membership update is much more efficient, also. We communicate with the AARA after every tournament, and with our lap top computer. Gordon Murrill, membership chairman, is able to get new members listed the same weekend they join. If you have a question about your membership, contact Gordon at (504) 766-1428.

The 1994 State Singles Championships was a huge success. There were over 120 participants (up from 70 last year). The best part, not all eligible to play state played. This is encouraging for the sport of racquetball. However, the bad part, we need to correct this and get everybody involved.

Presently, the LRA's two main goals for 1994 is (1) newsletter production; (2) developmental programming.

The newsletter has always been a huge expense, costing the LRA at least \$1,000.00 per issue for

professional printing. With the aid of a more appropriate computer and program, Albert Schof, publication chairman, will now take on the task of printing the LRA newsletter, in-house, while still maintaining its professional appeal. As you should be aware, your newsletter provides you with information about racquetball from around the state. To keep this information current, Al will need clubs and members to provide him with articles, programs, tournament data, and people-in-the-news for the LRA newsletter. **Do Your Part! Help Out!**

There will be four to six newsletters published yearly. Al will provide print and deadline dates in each newsletter. Submit your information to: Al Schof, 1749 42nd Street, Apt. D, Kenner, Louisiana, 70065 or (504) 468-2813.

Programming is another important area the LRA would like to improve. There are a number of clubs already doing an excellent job in this area. We would like to share your ideas with other clubs. The LRA will assist clubs with few personnel to run programs. Every club needs to have someone involved! The LRA is looking for those people. If you are interested in helping with leagues, juniors, seniors, women's play, etc., please contact Vicki Garrett, Program Chairperson at (504) 464-4896.

It has been a long time since the LRA has communicated to the players what we do. Take the time to get to know the board. We want to hear from you.

See you at the next tournament!

Congratulations to these winners and to all the LRA members that participated. The competition is tough at home but when you go to another state to play, it's even better.

These players all qualify to compete in the 1994 National Singles Championships to be held in Houston, Texas at the Downtown YMCA May 25th - 30th. **GOOD LUCK!** We'll all be pulling for you.

THANK YOU!

I want to take this opportunity to thank everyone for voting for me for most improved. It makes all of my efforts worthwhile to be recognized in this way.

Tim Buisson
