

Juniors Excel in Burlingame

Junior Racquetballers from across the state (and beyond) traveled to Burlingame to play in the CSRA Junior Racquetball championships. Racquetball Plus hosted the tournament held May 10th. Sponsors of the event included: CSRA, Racquetball Plus, Dave George, Brian Dixon, ProRacquetball.net, Sheryl Montero, McDonalds, Ektelon, Prokennex, Wilson, E-Force, and Head. The tournament directors were Jack Hughes and Peter McMillin with staff assistance from Vinnie Caramagno and Brian Dixon.

The day began with a group meeting with players and parents. Jack explained how the day would go, and made sure everyone was to have a fun day. Players were anxious to play and wasted no time in getting on the court (though some found it more beneficial to warm up playing a little hoops!). Part of my job was to make sure matches had refs. This was not much of a challenge compared with "adult" tournaments. Kids were eager to ref, and actually came to the desk asking if we needed refs!! All matches went smoothly with no controversial calls to make. It was a joy to watch the kids play, and many "adult" players could learn something by watching these kids.

John Ellis and Michael Bronfield showed up and did a demonstration match for close to two hours. Lots of ohhhs and ahhhs while watching these two play. The kids were wide eyed and inspired by John and Michael. A raffle was held, raising close to \$300 for the state junior programs. The tournament also resulted in there being 17 new junior members for CSRA!

Players from different parts of the state came to play in the tournament. Petaluma Valley Athletic Club had the most players with 11 (8 made it to quarters or higher). Several players came from Sacramento area, and of course we had players from Stockton. There were even a couple of players making the long trip from Oregon.

Jose Rojas won the Boys 18's and 16's, with Jesse Rockowitz and Erik Darnell finishing second respectively. Christian Claymore from Novato won the Boys 14's beating Kevin Crowley in the finals. Marko Rojas won the 12's and 10's with Jose Diaz finishing second in both divisions. Logan Nance beat Ashley Avery in the Boys 8's.

In the Girls 10's, Tarryn Harborth won over Monique Horyza. Danielle Pimental beat Sherr Darnell for the 14 championship. Kynzie Dalton won the 18's and 16's over Danielle Pimental.

Congratulations to ALL players!!

Revised Structure of the Junior National Team

The Board of Directors of the United States Racquetball Association has approved the request of the Junior National Team Coaches to change the structure of the Junior National Team.

The Team will consist of the National Champions and 2nd place finishers at the Junior Olympics in singles, plus the 1st place finisher in doubles in the boys' and girls' 14, 16 and 18 and under divisions. The 3rd and 4th place finishers in singles will also be members of the Team, but will not be point earners at Junior Worlds. This expanded Team could possibly total 36 players plus 4 coaches, but the assumption is that there will be numerous double qualifiers so the actual number will be lower. In the case of injury or other unusual event, the coaches will have the responsibility of choosing replacements for the point earners.

All members of the Team will attend the Team Camp at the U.S. Olympic Training Center in Colorado Springs in July. All members of the Team will be encouraged to attend the U.S. Open Racquetball Championships in Memphis from November 19 thru 23, 2003. Participation

at the U.S. Open will be an important training event in preparation of Team members for Junior Worlds.

In addition to the older members of the Team, the 8, 10 and 12 year old National Champions and 2nd place finishers in singles and National Champions in doubles will represent the United States in the Esprit Cup, a new tournament which will be held along with the Junior World Championships.

All other junior players are encouraged to participate in the Esprit Cup, which will be held concurrently with the IRF 15th Junior World Championships. This year they will be held in Orlando, Florida, from December 17 thru 21, 2003.
