Seniors/Masters Tourney Successful

by Jim Easterling

The 1990 AARA Region 9 Seniors/Masters Invitational Open was held at the Davison Racquet and Fitness Club November 9-11. This year we had 99 players compared to 52 in 1989, almost a 100% increase in attendance. Players came from Michigan, Ohio, Indiana, Illinois, Wisconsin, North Carolina, Massachusetts and Canada. Jim Hiser flew in from Colorado and Earl Acuff, National Champion in Men's 70, drove twelve hours from North Carolina.

Acuff continued his national domination by dropping down and winning the 60/65 age bracket. Brigitte Hartz (MI) also continued her dominance by winning Women's 45 for the second year in a row. Another two year winner was Ohio's Jerry Davis. In 1989 Davis won Men's 45 and this year he took first in Men's

50. Congratulations to all three players.

The tournament featured a Saturday evening banquet at the Davison Country Club and was, as in the past, an excellent meal. The ham, roast beef and chicken really hit the spot. Also on hand, was a discussion of the state of racquetball at the national level, lead by Jim Hiser, and an auction to raise money for the United States National Team took in \$1420.25 from the 65 people who attended the banquet. Performing as auctioneer for the second year in a row was Chris Cole who was assisted by Indiana's Mike Arnolt.

I would like to thank Penn Athletic Products, who has been a major supporter of this tournament for the past two years. Thanks also to Randy Minto and the staff of the Davison Racquet and Fitness Club. Without their help, the 1990 AARA Region 9 Seniors/

The 1990 Region 9 Senior Masters Invitational Open drew a record number 99 players in only its second year of running.

Masters Invitational would not have been possible. Lastly, I would like to thank the players because without them, tournaments like this would not be conceivable. Make sure to mark November 1991 on your calendar for the next Seniors/Masters Invitational.

For tournament results and pictures, please see pages four and five.

Bonnett wins RAM scholarship

by W T Blakeslee

Joel Bonnett was named the 1990 scholarship award winner for the second year in a row. Joel attended Forest Hills Central High School in Grand Rapids where he lettered in baseball and maintained a 3.4 GPA.

Joel's racquetball accomplishments are unequalled by any other junior player in the nation. He won both the High

School National Championship and the Junior Olympic National Championship. He will try to win an unprecedented triple crown as he competes in the Orange Bowl Junior Championship. Joel is consistently in the semis of all major tournaments and won four major tournaments in Michigan last year. It could be argued that Joel is currently the best player in the state.

Joel is attending Michigan State University this fall as a freshman and continues to play in most tournaments.

As in the past, the scholarship award is funded by the RAM Board, major and individual contributors. Those

interested in becoming apart of the program can contact W T Blakeslee.

View of the president

by W I Blakeslee

The world leadership is changing. Great Britain, Russia and Germany have new leadership. In the United States, George Bush is our new leader and even in Michigan, Blanchard lost by a narrow margin. It is a sign of the times, incumbents are threatened everywhere. As we approach the next century, I find it refreshing to see the interest world wide in changing leadership. The purpose of this political comment on world politics is to suggest that racquetball could also benefit

from a changing of the guard. I will be stepping aside next year as president, allowing others to assume the responsibilities of president. Nationally the AARA could benefit from a leadership change as well and I hope through the democratic process, change in direction and leadership can and will energize. In our state, we have "almost" added three new directions to our Board: Chris Cole, Gary Phipps and Jim Earley. This trio is eager to assist the board and provide new leadership and direction.

Chris is known nationally as well as being the current State Open Champion. Jim and Gary are racquetball fanatics. They will help in future programs.

Michigan racquetball is ranked eleventh in membership at just over 1000 members of RAM. Not bad considering the fourth ranked state, Illinois, only has 1400. Membership dues support the promotional base for the AARA and it is very important to try to increase our membership levels. Please help by promoting your rac-

quetball "buddies" to sign up and join.

Once again, nationally Michigan racquetball has maintained its elite status as Jimmy Floyd won the national doubles tournament. There are a lot of excellent tournaments coming in January and February and don't forget the regionals February 22 and Mt Clemens. Once again the State finals will be held at the Coliseum Racquetball Club hosted by Wayne Holman. See you on the court.

Grand Haven hosts clinic

Players gain experience

by Gary Phipps

On Saturday, November 3, 1990, a combination Racquetball Instructional and Referee Clinic was presented at the Grand Haven YMCA.

Lynn Hahn conducted the instructional clinic and offered valuable insight into the game of racquetball. All who attended came away with at least one thing that they could use to improve their game. Of course, there always remain a few tricks in Lynn's arsenal of shots that a mere mortal could never master.

Following the player instructional time, Gary Phipps conducted the referee clinic to ten very alert and inquisitive individuals. Some of the questions that came up only Otto Dietrich and a select committee of three could have adequately answered. Phipps did his best and never resorted to making up new rules as he went along. Seriously speaking, the clinic was a real success and all in attendance learned something new and

helpful about the game of racquetball.

Following the referee clinic, Hahn and Mark King competed in an actual racquetball match, while the attendees viewed from the balcony. Phipps refereed the match using two of his students as line judges. At various stages of the match, Phipps would halt play and explain some of the calls made (and of course no mistakes were made by either the players or the referee.)

This format of player instruction, referee clinic and actual match play seemed to work out very well.

Many thanks goes out to the Grand Haven YMCA for hosting this event. Accommodations and hospitality were just super. Special thanks to Mark King and Jill Vanderstel for coordinating everything.

All in attendance will be mailed the 1990-91 AARA Rule Book along with the AARA membership application as soon as the new books

become available.

Note: Immediately following the clinic, Phipps hustled back to Grand Rapids to compete in the tournament at River-

view. He was promptly beaten, which goes to show it takes a considerable amount more than just knowing the rules, to win at racquetball.

Letters...

EDITOR'S NOTE: The following letters address situations surrounding the Michigan Super Seven Tournament Series. It is the policy of *The Racquetball Reporter* to print all letters upon approval of the RAM Board. The following letters only reflect the opinions of the individuals involved, not those of the RAM Board or the newsletter editor. ☆

Dear Editor,

First, I'd like to applaud Stephanie Buttrey for taking the time to write in her complaints/comments/suggestions so that more people may become aware of how tournaments run. It probably wasn't easy for her to take the time and/or effort, but when anyone is unhappy with one of my tournaments or with tournaments in general, I'd much rather hear about it so I can inform the general racquetball public.

In going through the four points of Stephanie's letter, I believe they are legitimate concerns so let me take a moment to tackle each one head-on.

Point one — I do not and will not, seed strictly according to rankings. Rankings should be used as a guide, but not as the Gospel. I can draw an analogy to tennis seeding and the way they handle rankings. At last year's Wimbledon Championships, John McEnroe, though at the time ranked on the ATP computer as #23, was seeded #9. This glaring disparity was not disputed by the tennis establishment or the players because it is acknowledged that McEnroe, even though he hadn't been playing frequently or that well, is still

Dear Editor,

It takes a lot of effort and coordination to run a tournament efficiently. I applaud the individuals who undertake these jobs, and I realize that it may not often be as rewarding as they would like. Nevertheless, the tournament must be run well enough to make the participants want to return for another tournament.

I would like to offer the following suggestions to make the next Super Seven

one of the best grass court players around.

In the case at hand, I seeded Paula Saad #1 and DeLoris Leapheart #2 since they had finished one/two at the first Super Seven at Davison. Melody Matteis was seeded #3 because she was playing in her first tourney since recovering from a summer wrist injury, so I moved her down a bit. All first round matches at that tournament were tough: Paula Saad def. Lois Hammel 15-14, 15-14; Julie May def. Pam Harkleroad 14-15, 15-13, 11-2; Melody Matteis def. Stephanie Buttrey 15-7, 15-14; and DeLoris Leapheart def. Pat Klann 15-11, 15-10. A change in seeds here would not have made much difference; all matches would still be tough.

Another case that I've encountered in my decision of Men's Pro is former National Champion Larry Fox. Though Larry only plays once or twice a year, he still has the ability to make it to the quarters easily and he might upset one of us Big Boys. Since he only plays one or two events a year, his ranking is always low, but I have in the past seeded him as high as fifth even though others might have more points. Indeed, in the past three years, Larry is always seeded in my tourna-

Tournament run a bit better:

1. Seed the players according to their rankings, period. It is nice to play against people not in your home club, but this must not take precedence over the rankings.

2. Make sure that enough shirts in the correct sizes are ordered so that players who have their first match late on Saturday get their shirts in the size they ordered. Allow players to switch shirt sizes only after everyone else has

checked in.

3. Schedule the meals so that all players can eat regardless of the time. Make sure that the food is available for at least an hour and a half.

4. Institute, announce and adhere to a forfeit policy, whatever it is.

I think if these suggestions are implemented, the tournaments will run more smoothly, and more people will want to enter future tournaments.

Stephanie Buttrey

and it is easier for someone to go a size up because the shirt will shrink. If mediums are left over they are nearly impossible to sell because everyone is afraid it will one day become too small and be a waste of money.

I regret we ran out of mediums before your arrival on Saturday night, but as I said earlier, it is much easier to go a size up than a size down.

Point three — I was aware that the hospitality for players at that tournament in Livonia was open for nearly six hours on Saturday between the hours of 2 and 8 p.m. The Livonia Club did a magnificent job with the chicken provided by Ya-Yas. If you had a difficult time finding or receiving hospitality, by all means, I wish you'd have come and brought the matter to my attention. Perhaps I could have cleared up any confusion you might have experienced.

Point four — there is a fifteen minute forfeit policy that begins when the match is scheduled to begin and a player is absent. In the case that concerned you, I had called the players to their court ten minutes early and one gentleman was in a part

Seniors/Masters Results

At right, Mary Mollencamp poses with her first place plaque with second place winner Betty Gilliland.

It was an all Wisconsin battle, as Julie Jacobson, at right grabbed first and fellow Wisconsin player Kathy Raskopf took second.

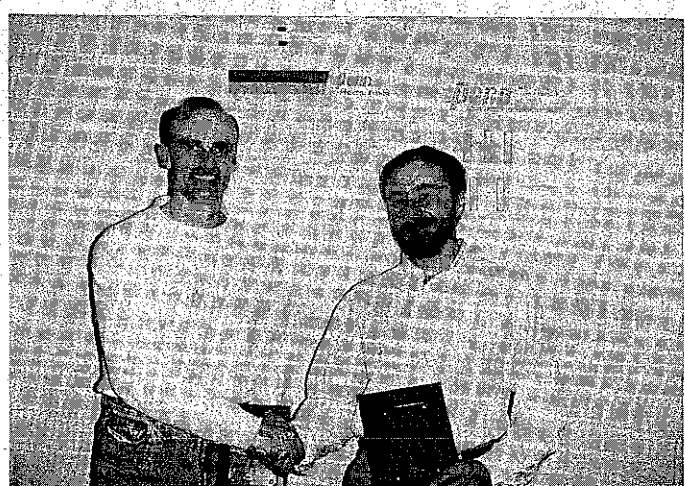

Above, National Men's 70 champion, Earl Acuff, of North Carolina, continued his domination by capturing first in Men's 60/65.

Above, Men's 60/65 second place winner Bob McClelland of Michigan.

In Men's 50, Ohio's Jerry Davis, at right, defeated Michigan's Bill Filatreau.

Mike Stephens, at left, congratulates Jim Santino, who captured first place in Men's 40. Stephens took second.

Super Seven Series Shines

by Christopher Cole

The 1990-91 Michigan Super Seven series kicked off September 21-23, 1990 at the Davison Racquet and Fitness Club and upsets were the surprise of the Men's Pro Division. Both the #1 and #2 seeds, Joel Bonnett and Jim Floyd were knocked out early in the quarter finals. Larry Meussen defeated a rusty Floyd and hometown boy Mike Johnston dispatched Bonnett 11-6 in the tie-breaker.

The second Super Seven tournament took place October 12-14, 1990 at the Livonia Health and Fitness Club, immediately causing a stir by experimenting with quadrant serving for all divisions. Of those players who made comments on the service change, about 75% were negative.

The third event of the Super Seven Season occurred at the Grand Blanc Court Club on November 16-18, 1990. Fresh off the shock and dismay

exhibited by the players at the second tournament, Super Seven #3 went to one service only. Unofficial poll results indicate that the voting players were overwhelmingly indifferent to the change (just like the real political elections of the month).

The Michigan Super Seven Series would like to thank the spacious host facilities for having the events and the sponsors that made the all tournaments possible: THE FOURMIDABLE GROUP, HEAD, PENN, AND WERNER-WERNER, INC.

Letters...

Continued from page 3

of the club during this time that was difficult to hear the page I understand the impatience you visibly showed waiting to referee this match, but I was calling them early. Because of your attitude at the time, I decided to let you go and I luckily found someone willing to ref that particular match and it proceeded without making the tournament run behind. I would have preferred that you refereed that match, but my instinct told me otherwise and I was able to get by. I myself hate to ref after I lose, but it must be done.

Because of my developing problems with trying to get referees, even for \$5, I will probably raise the fee for getting out of refereeing to \$10 per match. It is the responsibility of those who lose to ref and it simply isn't helping things run smoother by charging \$5. As a matter of fact, sometime it makes things more difficult.

Well, these are my responses to this letter-to-the-editor. Once again, I'd like to

commend Stephanie for stepping forward and offering these concerns. Though I feel correct on all four points, at least she showed some gumption and brought her complaints out where they could be examined and dealt with. I urge any others with questions or concerns to do the same. Thanks.

Christopher Cole
Director, Michigan's Super 7

Raffle helps juniors

by Jim Earley

The success of racquetball in our state and across the country depends on the involvement of our young people. We must keep our Juniors interested, to keep the sport alive.

In an effort to further the sport of racquetball in the Detroit area, Racquettime Health Club of Livonia, is establishing a Junior's Program. A raffle was recently held to raise money for the program. The proceeds of the raffle will benefit many Juniors in the tri-county area, who are interested in participating. Racquettime is working hard to obtain equipment, organize lessons and recruit instructors.

If you are interested in assisting with the program, or know a young person who would like to join, please contact Jim Earley at the Racquettime Health Club, 313/591-1212. Many thanks to all those who have already supported the program with your time and donations.

Ram Board Meeting Minutes

Date: June 18, 1990

Time: 7:00 p.m.

Place: Residence of Dianne and Jim Easterling

Members Present: Dianne and Jim Easterling, Rick Hall, Tom Blakeslee, Lou Ellen Fecher, Duane Russell.

Treasurer's report was given by Dianne Easterling. Profit for 1990 to date is \$4008.34.

SANCTIONING: No dates have been turned in yet. Costs are \$50 to register; per director, not per tournament. Costs are \$40 if everything is in on time. (\$10 goes into the RAM treasury. It really could be charged for use of labels.) California charges \$50 per tournament.

LOCK-IN: Jim Easterling discussed the Lock-in proposals for 40 juniors. He said three lock-ins have been set up as follows: 1) Court House in Flint on July 13 (Jim Skinner), 2) Oak Park in Lansing on July 1 and 3) Lansing YMCA on August 3. Tom Blakeslee indicated he would write Ektelon to try to get an instructor. Jim Easterling said the lock-ins would be for five clubs and up to 40 juniors would be permitted to enroll. It was proposed that free membership in AARA be given to juniors who participated. Tom Blakeslee said he would call John Mooney about this proposal.

NEWSLETTER: The newsletter will be printed. Tom Blakeslee distributed a letter to appear in the newsletter responding to complaints concerning his conduct at the State Singles Championships in Taylor, Michigan in April of this year.

Jim Easterling mentioned note cards from the AARA which could be sold for \$5.00 a pack. This could be used as a money maker.

July 6-15 will be the U.S. Olympic Festival in Minneapolis, Minnesota.

On January 1, 1991, the AARA will charge \$15 for membership

(up from \$10). \$3 of the extra \$5 goes for liability insurance for protection from sanctioned events. Extra \$2 goes as follows: \$1 each to the state and nationals. (A total of \$6 will stay in Michigan.) The next meeting of the Board will be on July 23, at the Easterling residence in Lansing. Adjournment: 8:20 p.m.

Respectfully submitted,
Duane Russell, Secretary

Sept. 10, 1990 Board Meeting.

Attendance: Tom Blakeslee, Rick Hall, Jim and Dianne Easterling, Duane Russell, Lou Ellen Fecher and guests: Gary Phipps, Ken Bonnett, Jim Earley and Denny Wood.

Meeting was called to order at 7:20 p.m. at the home of Jim and Dianne Easterling in Lansing. Treasurer's report: Dianne reported that the July lock-in at the Court House as well as the August Lock-in at the Lansing YMCA were all paid and that all juniors that attended were made AARA members. In honor of the guests present, the grants were discussed and reviewed of their progress.

Sanctioned events: so far only 7 events are scheduled after January 1st. Printing cost of the sanctioned event schedule card will be roughly \$150 and can be sent along with the upcoming newsletter. It was also discussed if any sponsors should be printed on the card as well as who would pay for the card. Card will be printed. Jim Earley brought the board an idea to help raise money for juniors to help supply equipment, courts and lessons. He suggested a raffle that would help raise \$5000 but needs the board's help. Dianne checked into the legal elements and gave a report that showed that the legal obligations were too severe for the State. Though it is a good idea and our juniors are in need, we need to look for other means to raise money.

No report from the secretary — Lou Ellen Fecher.

No report from the vice-president — Rick Hall.

Report from Jim Easterling — There were 20-25 juniors at each of the lock-ins. Rick Hall suggested that the Grand Rapids as well as the Muskegon YMCA's may be interested in holding one. Jim would love to have each of the guests present become members of the board and to do so they must attend three meetings to become eligible to vote. If unable to do so, we appreciate it if they can help out whenever possible.

State Singles: the MAC in Lansing is interested and will be opened after January 1st. With only 10 courts it may be impossible. We also need to look into banquet facilities and arranging the time for a banquet. Possibility of starting either Thursday night or early Friday morning to fit

everyone and the banquet in. At this first banquet we will need to award for two years. Discussion on Singles was tabled until next month.

Senior Master Tournament is November 9-11 at Davison and the Regionals will be at Mt. Clemens-February 22-24.

No report from Duane Russell. President's report: Tom thanked everyone for coming. It's nice to see new interested faces in the crowd. The State Doubles are approaching. It will be a two day tourney with no Friday times. Possibility of no consolation matches and the entry will be printed in the mini-newsletter. Ball sponsors — Go with Ektelon again? PENN would like to be involved with both the singles and the doubles. I need to find just what other gifts are available from them and will let you know after proposals have been sent. Questions? Ken Bonnett — When are scholarships given out? Tom — at the end of the year. Jim Earley — What does the Board do with the profits? Dianne — Whatever profits there are, are spent on the membership, newsletter, etc. or ideas from the members. Next meeting will be October 8th at the Easterling's at 7:00 p.m. Meeting adjourned at 9:20 p.m.

Respectfully submitted,
Lou Ellen Fecher, Secretary

October 8, 1990 Board Meeting

Attendance: Tom Blakeslee, Rick Hall, Jim and Dianne Easterling, Duane Russell, Lou Ellen Fecher. Guests: Gary Phipps, Jim Earley and Chris Cole.

Meeting was called to order at 7:20 p.m. at the home of Jim and Dianne Easterling in Lansing. Treasurer's report: Dianne reported on September's income expenses, no questions.

Sanctioning — Women's Only tourney out of Court House still outstanding with Omni on its way.

Michigan is now ranked 11th on the AARA membership list even though we gained members in the month of September.

Regional director's report: Jim stated that Mt. Clemens is now the official site of the 1991 regional tournament — the contract is now signed.

The racquetball clinic was held at Racquetime and went well. There were seven or eight people in attendance. The next clinic will

be held in Grand Haven in November at the YMCA. It will be a three hour clinic. Jim asked for input on future clinics regarding help, cost, test, etc. Will consider everyone's input.

Lock-ins — Rick Hall has a meeting with the Grand Rapids Y this Thursday to finalize the plans.

Duane Russell: talked with MSU regarding setting up a membership booth and the possibility of an exhibition match with some of the open and pro players and it

went very positive. The board gave Duane Russell the go ahead to get things started on the membership drive.

Jim Earley: went ahead with the Junior raffle and printed 500 tickets. The drawing will be held Sunday, October 14th at the Racquetime club during the Super Seven Tournament.

President's message: the double's tournament was discussed as to where it will be held. Pros and cons of all sites were discussed. Tom will check into Mt. Clemens as the site.

State ball package — both PENN and Ektelon have ball packages available through the AARA. Input was given on the pros and cons of using either PENN or Ektelon. It was decided that PENN would be the ball the State would use for both the singles and the doubles.

Grants — we are sending the same grants that were approved last year and shouldn't have any problems receiving them. An additional grant was sent in by Jim (regional director) regarding a membership drive on behalf of other states within Region 9. Guests were greeted and thanked for their support and we will gladly welcome them to the board. Gary and Jim have one more meeting to go before becoming official. Chris we hope to see you at two more so you can join the board also.

Mini-newsletter is due to come out at the end of this month. If you have anything to include, please get it to Dianne as soon as possible.

Meeting was adjourned at 9:15 p.m.

Respectfully submitted,
Lou Ellen Fecher, secretary

RAM Facility Listing

THE Backwall FITNESS & RACQUET CLUB

JOHN R NORTH OF 12 MILE • 589-0900

- * Largest private multi-recreational club east of Woodward Avenue
- * 9 Racquetball Courts
