# NEWS

JULY 1988

VOL 10 NO 2

## 1988 STATE DOUBLES CHAMPIONS

Special thanks to the players of the 1988 State Doubles Championships and the staff of the Kenner YMCA. Great racquetball and hospitality made this years event the best ever. Separating regular doubles from mixed doubles made for a smooth running, on time Tournament.

The 1988 Mixed Doubles Championships will be July 23-24 at the Kenner YMCA. I expect a great turnout (over 100 teams) and the beauty of it is that we can still have the tournament in 2 days, with so many courts at the Kenner YMCA. The folks at the Kenner YMCA promised some great hospitality, and naturally a great time will be had by all (*Way down yonder in New Orleans*). Applications will be out soon, so send in your entries early.

*Good luck,  
Paul*

## Member's Corner

I think that too often the efforts of those who make an organization work are unrecognized. This is especially true of the efforts of the LRA staff. If you stop and think about it, without this organization, competitive racquetball in Louisiana would probably disappear.

Since I have been out of action, i.e., on "injured reserve!", I have had the opportunity to be a spectator at several AARA and LRA tournaments. It is incredible to watch the amount of time and energy donated to the LRA organization by the staff. They are the first to arrive at tournaments and the last to leave (think about that next time you complain about having to play too early or too late). What I think we fail to realize is that the LRA staff, along with the club tournament directors, will try to accommodate the players in scheduling times that do not conflict with their other plans, and LRA tournaments offer breakfast and at least one hot meal per day, etc. Compare to most AARA tournaments, these are added perks, with no added costs.

Most of us are guilty of criticizing the LRA staff at some point; however, when was the last time anyone commended the organization's staff for their dedication and hard work?

*My hat's off to the following:*

Paul's recent involvement with racquetball committees on the national level have brought Louisiana into the spotlight. The regional tournament will be held in our state next year. I think we should be proud to host this tournament, which should expose us to a much higher caliber of play, not to mention the cost savings of not having to travel to Texas! Hopefully, Paul's efforts will lead to improvement in the level of

competition in La. and allow us to compete on a national level. (Now, if we could only change the rule on short hopping serves!)

And, who do we see at every single racquetball tournament in Louisiana? The one and only "Uncle" Bob Stanton. Thanks for always being there, Bob.

What would we do without the money man, John Pellerin handling the millions of dollars flowing through the LRA daily!? And can you imagine that he has enough time to be the official LRA photographer?

Who do call when your opponent is disputing every call and wants a rules clarification on every serve (as I experienced in the State tournament), or when the men's open players have been through 15 refs? Warren Arnett. Not only is Warren the rules guru, but he's practically a racquetball advertisement. His enthusiasm and promotion of the game have really helped the LRA.

And thank God for mild mannered Brain Lowe. Who else could take the abuse from irate players who feel they have been unjustly seeded?!

Finally, if you are reading this article, its thanks to Milt Cousins.

So, pat yourselves on the back, LRA staff, you're doing a great job, and we appreciate your efforts, even if we never say so!

*Submitted by: KAREN FOLEY*

## FOR THE SERIOUS PLAYER

Serious about getting better at the game of racquetball? Take heart. The lady talking to the T.V. camera (above) is Fran Davis, Head Teaching Pro, East Coast P.A.R.I. Instructor, and Top 20 Player on the WPR Tour.

Fran was here in March and quite a few of us had the pleasure of attending her clinics, which were given in Baton Rouge, New Orleans, and Covington. If you missed out, don't worry, she is coming back. Fran will be conducting a clinic at the Wallbanger, Friday, July 29, 6 p.m. and for the serious players out there a camp. That's right, a CAMP!, a 2 day, 15 hours of instruction, video taping, and game analysis CAMP.

How much you ask? Thru your power, vested in the LRA, only \$95.00, for LRA members, \$150 for non-members. Talk about a savings, that will pay for more than two years worth of LRA dues and help you to be a better player on top of it all !!!

There are only 18 places available, so call and make your reservation today. Spots will be filled on a first come - first paid - first serve basis!! The dates for the super event are July 30, 31., 1988.

To make your reservation contact Warren Arnett at the LRA office (504/346-8657) or home (504/924-2109).

This is another service provided by the LRA to it's heart and soul, the players in our great state!!

**Got Something to  
BUY, SELL OR TRADE?  
Do you have some  
HOT JUICY GOSSIP??  
SEND IT IN AND WE'LL  
PUT IT HERE!!!**

# RACQUETBALL

## INSTRUCTORS

There is a national certification course available for those of you who are already giving lessons or maybe want to start. The course is called P.A.R.I., (Professional Association of Racquetball Instructors).

The above picture is of the first four certified instructors in La., along with Fran Davis and Head P.A.R.I. Instructor, Connie Martin. We have arranged for a P.A.R.I. course to be given in Baton Rouge, on July 28 and July 29, at the Wallbanger Court Club.

The number of spaces is very limited, so apply early. You are guaranteed alot of usefull information that will make the price seem like a "steal of a deal".

For more information, contact Warren Arnett at the LRA office (504/346-8657), or at home (504/924-2109).

This is another service provided by the LRA and the AARA to our backbone, the members that make this great game possible.

## SCHOOL AND RACQUETBALL..... RACQUETBALL AND SCHOOL... SCHOOL AND RACQUETBALL.....

The once Ron Jeeter Memorial Tournament has now become the LRA Scholarship Tournament. Proceeds from this tournament will be used to give two \$500 scholarships to deserving student athletes. The scholarships will be based on academic strengths and racquetball participation. A general information sheet can be picked up at tournament check-in tables or will be available upon request from the LRA office.

Once you review the information sheet and feel you might be interested in applying, call or write to the LRA office and an application packet will be sent to you. The application will be reviewed by a committee of five LRA members. The two recipients will be announced at the Regional Tournament, April 1989.

The LRA encourages any and all student/racquetball players to get involved. The level of play has no bearing on the choice of the scholarship recients. A subjective point system will be used to determine the top applicants. So take this opportunity to give ... and take ... TAKE ADVANTAGE!

**MARCIA RICHARDS**

Scholarship Committee Chairman
