REMAINING SCHEDULE

The **Granite State Cup** April 7th and 8th with the banquet to follow on the 8th - Saturday night. Please participate on a team. Let us know if you want help. Please help us come up with some imaginative awards. Let us know as soon as possible with your ideas - even as late as the day of the banquet.

If you can't make the tourney, at least try to attend the Banquet and Awards Saturday night at Angelo's Restaurant on Hanover St in Manchester. Your loss if you don't!!!!

The **Regional Singles Championships** April 21 thru 23. We believe that this will get a large turnout. It should be a great show. If you can't participate at least come to cheer on your favorite players. We will be at the Executive in Manchester —with matches on Friday and Saturday as needed in Nashua and Salem.

We'll be having the **Mitch Nathanson Memorial** at the Boston Athletic Club near the docks in Boston. Cliff (Swain of course) will be exhibiting his talents along with several other pro-level players (perhaps Tim Doyle among others) to challenge Cliff. This tourney is non-sanctioned - but raises money for New England Juniors. Mark your calendar for May 19-21, 1995 - see you there.

JUNIOR REGIONALS

- Will be in Auburn, Ma. on May 6-7, 1995. If you are less than 19 as of January 1, 1995 you are eligible. Please contact me if you want to attend. The National Juniors are in Anaheim, Ca. (next to Disneyland) in June. I will try to help any New England junior who wants to go to the Nationals - but you must play in the Regional in May to play in the Nationals. Contact me soon.

EYEWEAR UPDATE -

I almost hate to bore you with more about wearing proper eyewear, but... I will have some Leader Vizion 2 Over Glasses at every New Hampshire sanctioned tournament (including the Regionals). If a person is not wearing approved glasses, they will be required to wear the Over glasses. This applies, in particular, to folks wearing prescription frames who do not have a note with them from their eye doctor that specifies that those glasses are safe for racquetball. If you aren't sure, check at the tournament desk - technical fouls (minus one point) will be assessed for violations of this rule.

Special thanks to the Nashua Athletic Club. They bailed me/us out by providing their club for the State Doubles under very favorable terms including the Karaoke on Saturday night. We won't hold them responsible for the singing that night.

There were special awards for the best and the worst of the night - we won't describe that now though. If you weren't there - your loss!
