CLASSIC PRO RACQUETBALL

To Benefit the American Cancer Society

Welcome

We would like to invite you to the 3rd Annual Florida Grand Slam Event. This event has proven to be very exciting in the past and we promise this year will be no different. We are pleased to announce the top players of the world will be appearing and playing here in sunny south Florida at the Quadrangle East Athletic Club. This club has consistently hosted the finest tournaments in south Florida for over 25 years. Back by popular demand we will be hosting a special "Pro Legends" division featuring the top pro

players from the 80's. Come see Marty Hogan, Dave Peck, Greg Peck, Ruben Gonzalez and Brett Harnett, just to mention a few. As well as the entertaining "Pro Legends" the IRT Pro division will also be very exciting as 5 time world champion Sudsy Monchik is coming with one thing in mind to regain his #1 ranking. And let's not forget that won't be an easy task with 6 time world champion, Cliff Swain present and ready to win. But both will have to fight hard against defending 2002 champion, and the #1 player in the world, Jason Maninno.

The excitement starts on Thursday, January 30th and continues with non-stop action through Sunday February 2nd. Pack your bags for the fun, and make sure to pack your wildest island shirt. All players and guests will be invited Saturday night to a party in your honor featuring the "Drums of Polynesia" Dancers and the wildest island shirt contest.

Last years event was one of the most talked about tournaments of the year and we are sure this year will prove to be the same. We hope you will not miss the opportunity to visit sunny South Florida and take part in the best racquetball event all year.

See all of you here, January 30th through February 2nd.

Sincerely,
Tim Hansen
