RAM STATE SINGLES CLOSES THE SEASON IN FIRST CLASS FASHION

Twayne M. Howard

Davison Athletic Club played host to the best players in the state at the RAM State Singles Racquetball Championship. Randy Minto and Don Schopieray put on a first rate show and the competition lived up to the location. Let's jump right to the action.

A highlight of every tournament is when the Juniors take to the courts and this time around, there was a ton of great competition. The 12- Under Division went to Braeden D'Almeida after he defeated Cameron Porritt and Cameron Clolinger in round robin fashion.

Zachary D'Almeida won the 14- Under Championships by getting past Vaughn Miller and Caige Duryea to take the Gold Medal.

Alexander Miller won the 18- Under Gold unchallenged.

As always, RAM re-shuffles the draws by skill as well as age. In the Junior Advanced, Braeden D'Almeida defeated Zachary D'Almeida in the Finals to win the Championship. Caige Duryea and Vaughn Miller made it to the Semis.

Gavin Bowlin took the Gold in the Junior Beginner's division after defeating Austin Couch and Jourdan Vallad.

Not to be outdone, the adults put on a great show as well. The Men's 40+ Championship went to Steve Clark who defeated Mark Reed to take the Gold. Walt Podraza and Bill Garrow rounded out the Semis.

The Men's 40+A featured a matchup even they must be tired of as Mike Malcolm and Dan Mullin squared off again. Mike beat Dan and took the Gold. Andy Debraber and Loren Miller were the Semi-Finalists.

Dan Verbeck defeated Jeff Connell to win the Men's 45+ Championship. Walt Podraza and Tom Blakeslee rounded out the Semis.

Paul Marino and Malcolm Hendricks squared off in the Final of the Men's 45+A Championship. Paul squeaked out an 11-10 tiebreaker win to capture the Gold. Dave Chirio and Jerry Spruit were the Semi-Finalists.

Mr. Mike Anderson capped his Hall of Fame induction weekend with a Championship in the Men's 50+ Open Division after defeating Dan Verbeck. Chris Kelly and Mike Chambron made it to the Semis.

Bob Gerrity beat Jeff Renaud to win the Men's 50+A Gold Medal. Ron Merte and Mike Middleton filled out the Semis.

Randy Anderson made his return to State Championship play defeating Richard Dunnebeck to claim the Men's 50+B Championship. Keith Bryan and Paul Schultz were the Semi-Finalists.

The Men's 50+C Gold went to Bob Denam who defeated Dave Knezek in the Finals. John Baranec and Willie Lowe were the Semi-Finalists.

VIEW OF THE PRESIDENT

Twayne M. Howard

I always enjoy writing this column. Well, perhaps "enjoy" is a strong word. It is the heart of Summer as I write this. Whatever the word is, the reason is the opportunity to take a brief glance back at the previous season and look forward to the coming season. As I sit here in mid-July, I can see pretty far in both directions and things look pretty good.

Looking in the rearview and all things considered, it was a pretty solid season. We continue to attract new tournament players and new members. All that means more players enjoying the excitement only a racquetball tournament brings.

Junior Team Michigan scored another top ten finish at Junior Nationals, and the Adults brought home medals from each of the National Championships. Another banner year as Michigan enjoys its perch atop the racquetball world.

The 2011-2012 RAM indoor season is jam packed with great events of every size, shape and feel. It features 16 tournaments bringing great racquetball from Traverse City to Davison to Grand Rapids to Detroit to Kalamazoo to East Lansing and several places in between. You will find events large and small, round robin and straight draw, singles and doubles – everything you could want. We even offer two IRT sanctioned Pro events.

A new highlight to the season is certain to be the Red Swain Shootout IRT Racquetball Tournament. The

Red Swain will be the first full-ranking Pro event in Michigan since 1993. You can read more about the event later on in the *Reporter* but rest assured this is going to be a world class event. Don Schopieray and Cliff Swain are bringing the whole IRT to Davison and you will get to see the best of the best play our sport. If you've never seen the top Pros, be ready to be amazed.

And perhaps biggest of all, if all goes well, we will be launching a brand new web page by the time you read this.

www.MichiganRacquetball.Net will be your source for all things Michigan Racquetball related. Our old site was hacked and trashed. A major redesign is underway and I think you'll enjoy the results.

All of this would not be possible without our great Board of Directors, Tournament Directors and everyone else "behind the scenes". I want to thank each and every one of them who helps keep RAM a vibrant, successful and innovative organization, now and for years into the future.

We've got a jam-packed issue and I don't want to delay it any further.

Make sure you check out the new RAM Web Page at www.MichiganRacquetball.net for details on all of these and more. I hope to see you on the courts. Hang on. It's going to be a great season.

DAVISON SET TO HOST THE RED SWAIN SHOOTOUT IRT EVENT

Twayne M. Howard

The Davison Athletic Club will once again be host to the best racquetball players on the planet this season. The Red Swain Shootout an IRT Tier 1 tournament is set to start October 27th and run thru the 30th, it marks the first time the pros have been back to the club since 1993 and sets up to be one of the best stops on tour. Players will have an array of entry options including several VIP packages, some having the Pro Am doubles event where amateur players are partnered with the top 16 pros, and others with an exclusive clinic hosted by tournament co-director Cliff Swain and one other "surprise" guest instructor. Juniors will receive special entry pricing and be used as towel kids for all of the pro matches, lady players will also receive special entry pricing for this tournament.

This tournament is named after Cliff's father who passed away from ALS, and will feature a different type of fundraiser. Benefiting the Angel Fund, a group dedicated to ALS patient care, the first annual "Angel Fund most popular player" fundraiser will be happening all weekend. Eight players have agreed to participate by donating game used racquets that will be autographed. During the weekend tickets will be available for purchase and used to "vote" for the most popular player by placing them into players bin. The player with the most tickets

will be named the most popular. A ticket will be drawn from each of the bins with the

winner receiving that players racquet. Eight racquets will be given away and the competition to become the most popular player should be as intense as the play on the court.

Mark it on your calendar, this will prove to be the premier event on Michigan's schedule this year, more than 250 players from around the country are expected to make the trip. Limited sponsorship opportunities are still available; the IRT Network will be webcasting the event to more than 50,000 people during the weekend. If you have any questions, please contact us via email at don113x@comcast.net. See you there!!

RAM HALL OF FAME INDUCTS THREE, CELEBRATES PAST, PRESENT AND FUTURE AT ANNUAL HALL OF FAME AND ANNUAL AWARDS BANQUET

Twayne M. Howard

An annual tradition was revisited Saturday night of State Singles weekend as racquetball friends and family came together to celebrate Michigan Racquetball's past, present and future. The place was Davison Country Club and the event, the RAM Hall of Fame and Annual Awards Banquet. In 2011, we found we had much to celebrate.

Jim Easterling, Twayne Howard and Don Schopieray acted as the emcees throughout the evening beginning with a welcome and great dinner enjoyed by all. Don kicked off the formal awards with an update on the Junior Team Michigan. A new younger group of players have started to show up at tournaments and are having a great time. Our junior national team had a top ten finish, which established us as one of the country's top programs. We did also have three of our long standing juniors age out of the division, Lucas Arias, Andrew Price, and Bryan Schopieray all competed in their last Junior Nationals tournament.

Next up was the Annual Awards. Nominations from members are received throughout the year, and a panel from the Board then chooses the winners. This year's winners were: Tournament Director of the Year – CARA; Most Improved Player of the Year - Loren Miller; Most Improved Junior of the Year – Braeden D'Almeida; Sportsperson of the Year – Scott Sellers; Junior of the Year - Nathan Tucker; Female Player of the Year - Cheri Speier; Male Player of the Year - Brad Schopieray; Outstanding Contributor – Scott Sellers. Congratulations to all of the winners, and the nominees for their success during 2010 – 2011.

Finally, we came to the highlight of the evening, the induction of the RAM Hall of Fame Class of 2011.

First up was Miss Sharon Huczek after being introduced by Tia LeCland. Sharon is one of the most accomplished Women in Michigan Racquetball history. Period. End of discussion. Sharon is a tough competitor on the court with dozens of Local, State, Regional and National

Championships. Off the court, she has been a member of the RAM Board of Directors for over two decades serving as Secretary for most of that time. It's a fantastic combination and a well deserved and long overdue honor for Sharon.

The second inductee was Mr. Jack White introduced by Mr. Tom Blakeslee. Jack has amassed a huge list of Championships at the Local, State, Regional and National Level. Jack has served on the RAM Board of Directors for a decade including serving as Vice President for much of that time. Jack has taught for years at the highest level and serves and has been a significant contributor to our Juniors program.

The final inductee of the class of 2011 was Mr. Mike Anderson introduced by his brother Randy Anderson. Mike's qualifications can be summed up in one word: "Excellence". If you decided to use two, they would

be "Sustained Excellence". Mike is a tremendous athlete who quickly rose to the top of the racquetball world and has yet to leave. Mike has won Open Championships in five different decades, an incomparable statement. He competed on the Pro tour playing many of the greats in our sport. His single greatest victory may have been his defeat of Egan Inoue at the height of his power. Mike

has also been a great supporter of the sport contributing generously of his time, talent and treasure. As Mike said in his speech, the greatest accomplishment is all the friends he's made over the years.

That says it all. Racquetball is about the friendships and the relationships. As always, the banquet affords an incredible evening of our Past Present and Future. But more than that, it's about Friends and Relationships. This is why we are so lucky to be involved with this great sport.

Enjoy.

SECOND ANNUAL MEIJER STATE GAMES OF MICHIGAN - A FIRST CLASS SHOW IN THE HEAT OF THE SUMMER

Twayne M. Howard

The last weekend of June, 2011 brought the Meijer State Games of Michigan back to West Michigan and this year it was even bigger and better. The event was held for the second year and filled to the brim with great sports drawn to this Olympic-style event. The State Games swelled to twenty four events with over 4,000 participants playing at dozens of locations in West Michigan. New additions including Archery, Golf and even Pickleball.

The greatest aspect of being included in the State Games is that thousands of people get to hear about Racquetball tournaments that might usually not hear about us. Each year, the State Games has brought out a number of first time tournament players. This year we had 9 first time tournament players. It's great exposure for Racquetball and happens to be a great tournament as well. Each division featured round robin or consolation play as well as Gold, Silver and Bronze medals in each division culminated by a full Medal ceremony with Olympic Fanfare. We got most of the play done on Saturday and players were free to enjoy the Saturday night party at Craig's Cruisers.

The weekend kicked off Friday night with the Opening Ceremonies at Fifth Third Ballpark. A gigantic flag was carried in by the Tournament Directors before last year's athletes of the year completed the torch run by handing the torch to MSU Coaches Tom Izzo and Mark Dantonio. The coaches used the torch to light a flaming arrow, which was shot by one of the competitors to light the State Games Cauldron – the official opening of the Games. What a memorable sight as the flame jumped from the cauldron, fireworks filled the air and the thousands gathered exploded in applause.

And all of that was before we hit the courts. But, that's the reason we all signed up, so let's get straight to the action. In the Men's 25+B John Lager defeated Brandon Zeigler and Brian Richards to take the Gold. Brandon won the Silver and Brian won the Bronze.

Brian Richards won the Men's 25+D Gold Medal unchallenged.

Willie Lowe won the Gold in the Men's 35+C Division. Richard Dunnebeck took the Silver and Damon Stevens won the Bronze.

The Men's 40+ Open Division went to Twayne Howard unchallenged.

Rich Westerbrink won his first Gold in the Men's 45+B Division. He edged out Silver Medalist Art Murphy and Bronze Medalist James Hemenway.

Jim Kutt won the Gold in the Men's 55+ Open Division in a great match against Chuck Van Hoose who had to settle for a

Silver Medal.

Chuck Van Hoose won the Gold in the Men's 60+ Open Championship unchallenged.

Court Warrior Art Murphy overcame a split lip to win the Gold in the Men's 65+ Open Division. Richard Dunnebeck won the Silver Medal and Tom Sharum earned the Bronze Medal.

Art Murphy also won the Gold Medal in the Men's 35+B Division. Tom Granse won the Silver and Jim McGowan won the Bronze.

Damon Stevens won the Men's D Gold unchallenged.

Willie Lowe went Double-Gold by winning the Men's C championship over Silver Medalist Damon Stevens and Bronze Medalist Brian Tomanek.

John Lager eased through the draw to win Gold in the Men's B Division. Jeff Tloczynski took home the Silver and Matt Smith won the Bronze. Thanks to Jeff and Matt who took most of the day off from fishing to compete.

The Men's B Consolation Gold went to Jim McGowan who defeated Silver-Medalists James Hemenway. Brandon Zeigler earned the Bronze.

Rich Westerbrink capped a great season by playing perfect Racquetball to crush Twayne Howard in the Men's A Championship. Twayne took home the Silver and Dennis Reid earned the Bronze.

The Mixed C Doubles was full of new tournament players from top to bottom. The Father/Daughter team of Jessica Lemire and David Lemire earned the Gold by defeating the Silver Medal winning teams of Peggy Bakker/Ray Zamora and the Bronze Medalists Jennifer Tomanek/Brian Tomanek. We certainly hope to see more of all of them as the season opens back up.

Lemire and Lemire made for Double-Gold (or is that Quadruple Gold) by winning the Men's C Doubles Championship as well. Willie Lowe and John Lager teamed up to win the Silver Medals and Tom Sharum and Jack Robillard won the Bronze.

Brian Richards and Jim Kutt won the Men's B Doubles unchallenged after a late withdrawal.

Rich Westerbrink earned his third gold Medal of the weekend by teaming with Keith Bryan to win the Men's A Championship in a close tie-breaker match. Jason Carroll and Twayne Howard won the Silver and Brian Richards and Jim Kutt earned the Bronze.

It was a great weekend, and a lot of fun for all involved – brand new tournament player, and old hands alike enjoyed the show. Make your plans now and put it on your calendar - June 23-24, 2012, Michigan Athletic Club, Grand Rapids. I can promise another great event you don't want to miss.

See you there.

JUNIOR TEAM MICHIGAN TAKE ANOTHER TOP TEN FINISH AT JUNIOR NATIONALS

Don Schopieray

More than 160 of the top Junior Players from 29 different states came to Portland Oregon for the 38th annual Junior Olympic Championships. This is the USA team qualifying tournament and as you could expect the level of play was phenomenal. Michigan had four players compete this year.

Mercedes Arias represented the ladies and was once again a National Champion. Mercedes and partner Kelani Bailey of Virginia won the girls U16 doubles event which qualified them to participate in the Junior World Championships. Mercedes also finished 3rd in singles.

Braeden D'almeida scored his first gold medal of the tournament winning the boys U12 red division, he easily defeated Alabama's Quade Howell in two games. This was by far Braeden's best tournament performance and will no doubt help him as he becomes more experienced in the Championship environment.

Brad Schopieray scored a second place finish in boys U18 doubles with California partner Jose Diaz, they were the number 1 seeded team in the tournament but were no match for the team of Nick Montalbano and Josh Hungerford losing in the final 15-8 and 15-5. Brad followed that performance up with a 4th place finish in boys U18 singles. Both Brad and Jose will move on to full time professional status next season.

Matt Barbuscak played his last junior National tournament this year. Finishing his freshman year at Penn State University, matt has already become a regular winner in ECRC Intercollegiate play. Matt had the toughest draws of all the kids from Michigan and while he scored much needed points for the team Matt fell victim to losing rounds at the wrong time. Matt will now focus on studies and racquetball on the collegiate level, Matt has always shown great attitude on and off the court and will certainly be missed on the team, we wish him well in this next phase of his racquetball career.

In the end Michigan was once again able to squeak out another top ten finishing 9th overall, without the help and contributions of tournament directors Scott Sellers and Mike Chambon, who held fundraising efforts at their events, everyone who purchased a raffle ticket for our drawings, and the RAM Board of directors, we would not be able to provide the type of program we do for our Juniors. Thanks again for all your support and we will be back next year to try it again!
